Stay Safe In The Sun

Now that we have some sunny weather to enjoy, please remember to send your child to school prepared for the sunshine! Please apply sunscreen every morning before school, and make sure your child brings a sunhat and sunglasses every day, as well as their water bottle.

The Met Office has declared a Level 3 "Heatwave Action" alert with the following advice:

- Stay out of the sun.
- Keep your home as cool as possible, shading windows and shutting them during the day may help. Open them when it is cooler at night.
- Keep drinking fluids.
- If there's anybody you know, for example an older person living on their own, who might be at special risk, make sure they know what to do.

Advice on how to reduce the risk either for yourself or somebody you know can be obtained from NHS Choices at www.nhs.uk/summerhealth, NHS 111 or from your local chemist.

We would like to wish all our fathers and father figures a "Happy Father's Day!"

Have an enjoyable weekend!
