The Convenor volunteered to take minutes

2. Minutes of meeting Monday 30 January 2012

The minutes of the last meeting were noted.

3. Annual reviews

Members reported on one annual review since our last meeting. We noted that it is important that committee members who attend annual reviews also attend the termly committee meetings to report back and share experience.

5. Individual Children

We discussed each of the children who has a statement.

We noted the importance of ensuring a clear line of management and taking prompt action where there are grounds for thinking that the support provided for a child is less than satisfactory.

6. Queen's Speech

We noted that the Government intends to introduce legislation within the next twelve months to give effect to the proposals put forward in the Green Paper: *Support and Aspiration: A new approach to special educational needs and disability*. At the moment the Government has not made any significant changes to the policy set out in the green paper.
