

DKH—Playground Rules

Treat other people as you want to be treated—
name calling of any kind will not be tolerated.

No fighting, including play-fighting.

Stay in the playground unless you have a
permission card to come in given to you by an
adult.

Play fairly and allow others to play their games.
Take care of the equipment and follow the rules
for the games.

If there's a problem, speak to an adult for help
to sort it out positively.

Listen to the adults and follow instructions
calmly and politely.

Use the toilets sensibly, not for playing in.

No football in the top playground at any time
