

The Charter School

East Dulwich

How to Apply

Applications for Year 7 places at the Charter School East Dulwich beginning in September 2016 can be made **in addition** to the six options available to parents and carers through the Southwark (or any other local authority) eAdmissions process. Please share with parents & carers that they should **not** select The Charter School East Dulwich as one of the six choices on their Southwark eAdmissions application.

Applications must be made **directly** to the school by Friday 30th October 2015.

There are two ways to apply. Parents and carers can either complete an on-line application available on the new website when it is launched next week at www.chartereastdulwich.org.uk. Alternatively, they can complete a print application downloaded from the website, or available by contacting the school on admissionsoffice@chartereastdulwich.org.uk or collected from The Charter School on Red Post Hill. Completed paper applications to be posted to:

The Charter School East Dulwich

Red Post Hill

Tel: 020 7346 6600

Receipt of application will be acknowledged. Notification of places will be sent out ahead of National Secondary Offer Day 1st March 2016. If both applications are successful the child will receive two offers, one from The Charter School East Dulwich and one from Southwark Council. Parents and carers will need to notify us and Southwark as to which offer they accept.

It is essential parents and carers additionally apply for other secondary schools through their local authority application process to ensure their child has a school place for September 2016.

Open Days

To support the applications process we will be hosting four Open Day / Evening events over three dates in September and October, where we will be able to answer your questions and provide an insight to what life at the school will be like.
