

Dear Parent,

Dog Kennel Hill students now have unlimited access to Languagenut online system!

Languagenut engages students to help them learn a second language in a fun and interactive environment. Language Teachers from across the world came together to create this professional and exciting learning tool.

Students at the school can access all 13 world languages we offer on our resource, including Spanish for Señora Fatima's classes.

Your child can access our language resources both in class and at home by going to www.languagenut.com/login and using their individual login details.

Should you experience any problems please contact Señora Fatima, or if they are related to the site you can contact Languagenut customer support.

I hope your child enjoys using Languagenut.

Kind regards,
