Dear Parents and carers,

Under the new National Curriculum, there is an even larger focus than previously on spelling accurately in Y2. It is increasingly more important in end-of-year tests, but much more importantly good spelling will give the children the best possible base to move onto the Y3 Literacy curriculum.

In response to this, we will be hosting a Spelling Workshop for all parents of Y2 children. The session will be run by Mrs Kelly-Roberts and will be a great opportunity to learn more about what the children do in school to improve their spelling skills and what can be done at home to help. The date of the workshop is **Monday 16<sup>th</sup> November**. We will begin at 5pm and we are likely to run to an hour in length, depending on questions from parents.

A crèche will be available. Please let us know if you will be coming along and please indicate whether you will need places in the crèche or not using the slip below, which can be returned to your child's Class Teacher.

Kind regards

Ross Orton  
Deputy Head
