

DKH NEWS

Friday 10th May 2019

Calling all scientists!

Just a reminder about the STEM club sign up at the office. The STEM club will run on Wednesday 5th June 2019 from 3.15pm – 4.15pm. The cost of the 6 week course will be £30, payable in advance. This club will run on a first come first serve basis so sign up soon to secure your place!

ARBOR LOGIN WORKSHOP

The office is only accepting payments through Arbor now.

On Wednesday the 15th of May Ms Mir and Mrs Markides will be running an Arbor login tutorial session from 9:15 -10am in the IT room. If any parents need help with their Arbor logins and support with how to pay for meals, clubs etc. you are invited to attend during that time and they will be able to answer any questions you may have.

We are only able to accommodate 25 parents at a time so please email Mrs Markides at cmarkides@dkh.southwark.sch.uk if you wish to attend. Mrs Markides will also be in the playground on Monday morning and afternoon near the climbing frame with a sign up sheet if you are unable to email.

Are you ready for our battle of the bands? More information coming soon but in the meantime, keep rocking!

Steel Pan/Music Lessons

A message from Margaret:

The will be no steel pan lessons next week on the following days:

- Tuesday the 14th of May at 8.15 for Year 5
- Wednesday the 15th of May at 8.15 for Year 6

There will however be a session on Friday the 17th of May for Year 5 at 8.15 instead.

Congratulations to the children who have demonstrated one of our school values
This week's value is: **Respect**

Maths Mastery

In KS1 we have a new "Mathscot" which is for Maths with Parents. Classes who have access to Maths with Parents will have the chance to win him for the week. The children with the highest percentage of participants will be able to keep him for the whole week! We hope that this will encourage more children and parents to log on.

News from the Office

Ms Cook has unfortunately become unwell and has not been at school this week.

From Monday the 13th of May, Ms Carrie Lucas from Rotherhithe Primary will be coming over to support Ms Stewart in the office until Ms Cook returns.

Ms Lucas is familiar with our finance and attendance systems and has a lot of experience with admissions.

We are very grateful to Ms Lucas for stepping in and helping us and ask that you please be patient while she gets to know the families and staff here at DKH

ARTS WEEK

We are delighted to be introducing an arts' week and an art exhibition to DKH this year, which we are very excited about. During the week beginning the 3rd of June, we would like to invite any artistic parents to volunteer to run workshops in school. These can be a range of workshops such as painting, jewellery making, pottery etc.

If you are able to run a workshop for a class or work with groups of children during that week, would you please email our Arts' co-ordinator Ms Kelly Roberts and let her know what you are able to come and help with. Emails can be sent to school@dkh.southwark.sch.uk and in the subject line please put 'For the Attention of Ms Kelly-Roberts.'

Some classes might need parent helpers for various projects during the week too, if you are free to come in and help it would be greatly appreciated, please would you let your child's/children's class teacher know.

On Thursday the 13th of June we will be displaying all the lovely art, produced during the week, in an exhibition in the bottom hall. Parents are invited to attend from 3:30 till 6:00 and also to attend an unveiling ceremony for a painting which has been generously donated by one of our parents. We will have a guest speaker and we will be inviting members of the art community as well at the local media to attend. More information about this will be sent out closer to the time but please make sure you have the date in your diary so you can attend!

SPANISH DAY

A few more photos from Friday the 3rd of May. Thank you to Senor Pablo for organising such a wonderful, fun and informative day.

Year 4 Zoo Trip

Year 4 visited Battersea Park Zoo this week to find out more about zoos and their best practice. We saw lots of different animals, including lemurs, meerkats and moneys. The children had the opportunity to ask the zoo keepers questions about the animals' enclosures and their feeding habits. We watched otters during feeding time and even got to handle real emu eggs and a discarded snake skin!
