If you are unsure, please phone and check with the office. Apologies for the inconvenience, hopefully this will be sorted out soon.

ARTS' WEEK

PLEASE LET US KNOW IF YOU ARE ABLE TO HELP DURING ARTS' WEEK

If you are able to run a workshop for a class or work with groups of children during that week, would you please email our Arts' co-ordinator Ms Kelly Roberts and let her know what you are able to come and help with. Emails can be sent to school@dkh.southwark.sch.uk and in the subject line please put 'For the Attention of Ms Kelly-Roberts.'

Some classes might need parent helpers for various projects during the week too, if you are free to come in and help it would be greatly appreciated, please would you let your child's/children's class teacher know.

On Thursday the 13th of June we will be displaying all the lovely art, produced during the week, in an exhibition in the bottom hall. Parents are invited to attend from 3:30 till 6:00 and also to attend an unveiling ceremony for a painting which has been generously donated by one of our parents. We will have a guest speaker and we will be inviting members of the art community as well as the local media to attend. More information about this will be sent out closer to the time but please make sure you have the date in your diary so you can attend!

ARBOR PAYMENTS

Dear Parents/Carers

We appreciate the information and comments you have shared with us regarding the new online payment system – Arbor. We understand that some of our parents have encountered issues while attempting to log in and pay for clubs, trips, meals etc. Our first Arbor Login Workshop to support parents become familiar with the new system was on 15th May, however if you were unable to attend please come along to the 2nd workshop which will take place on **Thursday 23rd May between 9:15am and 10am**. We are only able to accommodate 25 parents at a time so please email me if you wish to attend.

You can also find a parent's guide on the Arbor help centre: please click the link below

If you have provided us with your email address you should have received an email from Arbor with a link to enable you to create your password. Once you have created a password, you can then click on <https://login.arbor.sc/> and log in.

If you have any questions please do not hesitate to contact us and we apologise for these teething problems and we are trying our best make this transition smoother.

Kind Regards
