Riverhill Federation
Strategic Priorities

Priority One
To ensure a highly effective Curriculum where children make significant progress from their starting points

Priority Two
To secure an enthusiastic, motivated and consistent workforce to drive improvement

Priority Three
To develop confident, articulate and resilient children who celebrate difference and are ready to engage in their next stage of education

Priority Four
To maximise the physical and financial resources of the school to ensure a high quality teaching and learning environment

Priority Five
To have a thriving and engaged school community which enhances and supports opportunities for learning

Priority Six
To drive continuous improvement through effective and efficient leadership and governance

2019 / 2020

4 Year Strategic Priorities
### Priority One
- CPD opportunities for staff are tailored to individuals and are related to the stage in their career e.g. Apprentice, NQT, NPQSL
- Subject leadership is highly effective and ensures that all subjects are effectively led and managed.
- Lesson observations indicate motivated and inspiring teaching, resulting in outstanding progress and attainment.
- Staff turnover is primarily driven by promotion or family orientated.
- Absence rates are low, reflecting a manageable workload and effective worklife balance.

### Priority Two
- The federation consistently promotes the extensive personal development of pupils. The schools go beyond what is expected, so that pupils have access to a wide, rich set of experiences. Opportunities for pupils to develop their talents are of an exceptional quality.
- The federation provides rich experiences in a coherently planned way, in the curriculum and through extra-curricular activities.
- The curriculum and personal and social development in the school ensures children’s opportunities and aspirations are not limited.

### Priority Three
- Each school’s curriculum’s intent and implementation are embedded securely and consistently across the school.
- The work given to pupils, over time and across the school, consistently matches the aims of the curriculum. It is coherently planned and sequenced towards cumulatively efficient skills for future learning.
- Pupils’ work across the curriculum is consistently of a high standard.
- Pupils consistently achieve highly, particularly the most disadvantaged. Pupils with SEND make excellent progress.

### Priority Four
- Financial management is strong and opportunities to maximise resources and generate further income are actively sought.
- The learning environments are exceptional, classroom displays are of high quality and all areas of the schools are well maintained.

### Priority Five
- Leaders engage actively with pupils and others in the community, including, when relevant, parents, employers, the local community and local services. Engagement opportunities are focused and purposeful and result in improved provision.
- Governors understand their role and carry this out highly effectively. They ensure that the school has a clear vision and strategy and that resources are well managed. They engage proactively with all stakeholders. Leaders are held to account for the quality of education.
- The federation constantly reviews local and national policies to ensure that the governance structure supports excellence across the schools within the federation.

### Priority Six
- Success Criteria
Within the **River Hill Federation**, we aspire to create a supportive environment for personal growth and where enquiring minds develop a passion for learning.
Dog Kennel Hill School Development Plan

(September 2019)
Draft
## Quality of Education

<table>
<thead>
<tr>
<th>Strengthen the quality of teaching and learning</th>
<th>Strengthen the quality of teaching and learning (Pr 1)</th>
<th>Improve the standards and progress in reading across the school to secure at least National ARE at KS1 and KS2 (Pr1)</th>
<th>Diminish the differences between different groups identified through the School Profile Tracking Information: SEND &amp; PP</th>
<th>Address the gender Differences between girls and boys where relevant.</th>
<th>Improve the teaching of phonics so that the cumulative figure rises to at least 90%</th>
<th>Further increase the progress for pupils with SEND</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ensure writing attainment and progress is consistently good or better in all year groups across the school.</td>
<td>Ensure Maths attainment and progress is consistently good or better in all year groups across the school.</td>
<td>Establish the use of knowledge organisers and consider approaches to their use in the classroom.</td>
