Dear Parent/ Carer,

We are writing to inform you that this year's classes will be merged for the start of the new academic year. This is standard practice and a process that we give a great deal of time and consideration to.

All staff within the Early Years will be involved in making the decisions, as well as the Senior Management Team. There are several factors that are taken into account to ensure an even split including gender, groupings (such as abilities), and additional needs.

We aim to take each individual child's needs into account as far as possible and are confident that our decisions will ultimately benefit every child in the long term. If there are extenuating factors that you feel should be taken into consideration when these decisions are made, please inform us as soon as possible. Do bear in mind that we are unable to place a child in a certain class based on preference alone. If you wish to discuss the matter further, please let a member of the early years' team know.

Thank you for your continued support.

With kind regards,

Rachel Kearns
Foundation Stage Coordinator
