Dear parents,

We organise our curriculum into topics so that children can make links between subjects and apply their learning in different contexts. All year groups will do a 'WOW' day each term. A WOW day is an experience to engage and excite the children. These include dress up days, visitors and drama workshops.

As part of our first summer topic 'Myths and Legends', the year 5 team have decided to launch a WOW day on Thursday 25th April 2019.

It would be lovely if the children came to school dressed up as ancient Greeks, however it is not compulsory. The children will have a drama workshop in the morning, followed by a creative and immersive lesson where they will get to create an ancient Greek artefact.

Below are some websites that the children could access to gain prior knowledge of Ancient Greece in preparation of this topic.
