Have you been playing Maths with Parents?

Have a look at what some of the children in KS1 have been up to!

Charles, you played Break It Up and told us "I enjoy doing maths at home."

Your parents told us that you were a great listener and understood how to play the game."

Keep up the super maths at home and great use of Lego too!

WOW **Jamal!** You played all the maths with parents games!

You told us "I enjoyed making big numbers with small numbers :)!!"

Your parents told us you "did well making up the numbers, sometimes adding three number together!."

If you want your child to feature in our newsletter, please ensure that you give us permission to use their photo.

Well done to years 1 and 2. You have been playing Maths with Parents.
