## DKH FOOTBALL TEAM

Back in September, the school football team entered a competition with big ambitions; those ambitions were to qualify for the finals.

The team of very talented players showed courage and resilience in their performances and scored an amazing 58 goals in 8 games giving us a superior goal difference with those closest to us in the table.

With our goal tally plus a record of 7 wins and 1 defeat, the team have fulfilled their ambitions and qualified for the finals!

Well done to the following children: Brandon, Ola, Dickson, Lukas, Abraham, David, Jadon, Mamadu, Jerrell and Micah. We are so very proud of you and the wonderful sportsmanship you have demonstrated with representing DKH.

Details of the finals will be announced in due course.

A big thank you to Mr Lay and Mr Stutely for training, encouraging and accompanying the team every week.

## After School Care

Following on from our correspondence before Christmas, we would like to update parents and carers about the after school club. Tree Tops has made an application to Ofsted to register our schools for their wrap around service. We are in the process of finalizing arrangements to move over to this provider and the expected date for the hand over is likely to be the 24th February 2020.

You can now start booking your child/ren's place with Tree Tops via the following link:

<http://www.treetopsclubs.co.uk/listing/dog-kennel-hill-primary-school/>

Until the official handover in February, the current provision will remain in place. If you require any further information, please get in touch with the school office via e-mail on:

## Safeguarding

It has come to attention that a small number of children are wearing Smart Watches to school. Due to our commitment to safeguarding, can we please ask that children refrain from wearing these at school. As the watches allow calls to be made and messages to be sent, they will be treated in the same way as a mobile phone and collected in for safekeeping, if they are worn at school. Children are not allowed to keep or use mobile phones at school, they should be handed in at the start of the day and collected at home time. Thank you for your support.

## School Uniform

Jumper £11.50  
PE top £3.50  
Book bag £5.00  
Swim Cap £2.00

Please pay on Arbor and collect the items from the office on a Friday please.

## Are you Fizz Free for February?

Fizz Free February means it is time to ditch sugary drinks. Cutting out fizzy drinks is a great way to reduce your sugar intake.

### *The hard truth about soft drinks*

- You can save £438 a year if you stopped drinking one bottle of soft drink, per day for a year.
- Drinking just one 330ml can of fizzy drink a day could add up to over a stone weight gain per year.
- 79% of fizzy drinks contain six or more teaspoons of sugar per 330ml can.
- Tooth decay is the leading cause for hospitalisation among 5 to 9 year olds in the UK, with 26,000 children being hospitalised each year due to tooth decay; in other words, 500 each week.

Try swapping sugary drinks for tap water, lower-fat plain milk or sugar-free diluted juice

### **More information**

The [Fizz Free February](#) initiative was launched by Southwark Council in 2018 in response to child and adult obesity rates.
