How to Half-Term Challenge

Looking for some free activities to try at home this half term? Why not take on the Maths on Toast 'How to Half-Term Challenge'.

The family maths charity is on a mission to make maths a creative and enjoyable activity for everyone and has produced a series of 'How to' videos called Maths on Toast Bites.

Your challenge is to watch a different film each day, then try the activity together at home.

From making and decorating a magical hexaflexagon to building a structure using cocktail sticks and sweets – you will find everything you need at www.mathsontost.org.uk/bites.

Don't forget to share your comments and photos of the day on Twitter, Facebook or Instagram tagging @DkhSchool @mathsontost using #PositiveAboutMaths

Why is it important for families to do maths together?

30% of adults wrongly believe maths is a skill you are born with rather than one you can learn and negative attitudes about maths are often passed through families.

Maths on Toast Bites helps broaden families' views of what and where maths is, and shows that maths can be creative and fun for everyone.

So why not take on the challenge and start creating some positive memories of maths together!

Keep rocking DKH!

We are 8 out of 30 on the leaderboard of nearby schools with an average

Omar, you played *More or Less Pasta*. Your family said you were "so excited to do this activity. You played with your dad, mum and even showed your little sister which pile was bigger."

We can see you have a lot of pasta! Thanks for sharing your maths with us!

You look as if you are really concentrating **Orabosa!**, You played *Winner 100* and told us that it "was exciting!"

Your family told us that you did really well.

We love seeing you enjoying maths. Keep it up!

Have you been playing Maths with Parents?

Have a look at what some of the children in KS1 have been up to!

Jamal, you played *More or Less Pasta* and told us "I like doing maths with numbers."

Well done on always completing your Maths with Parents. We love how much you enjoy maths!

We love seeing your photos. If you want your child to feature in our newsletter, please ensure that you give us permission to use their photo.

Well done to years 1 and 2. You have been playing Maths with Parents.

Well done to these children who have been playing the activities and watching the videos to collect items.

Birch Class: 580792
Cherry Class: 626182
Willow Class: 446059

Charles, you played *Sorting Sticks* and your family told us you "enjoyed this activity and enjoyed when you had more rather than less."

Alhaji, you played *Sorting Sticks* and said you had a great time "beating mummy!" Well done!

Mia, you played *Winner 100* and said "I enjoyed this game because I won but it was a little tricky adding up towards the end." Sounds like you were up for the challenge! Well done Mia!

Xaiver, you played *Number Jump* and your family said "Xaiver enjoying counting the numbers and adding and taking away!"

Great work. We are proud of you!
