**BE IN IT TO WIN IT!**

## Have you been playing Maths with Parents?

Have a look at what  
some of the children in  
KS1 have been up to!

**Jamal**, you played *Measure This* and found out you were 70 blocks tall! WOW!

You also measured and compared lots of different items at home.

**Anas**, you played *Hand Span* and said "I liked measuring my dad's car with my hands."

We hear you were measuring gates, trees and doors too! It's great to see you using maths outdoors!

**Lyla and Charles**, you played *Measure This* and it looks like you had a great time! You measured lots of things from teddies to trees!

Charles, you even measured yourself and found out that you were about ten and a half pencils long!

Lyla, you said measuring was "easy, peasy, lemon squeezy!"

We love seeing your photos. If you want your child to feature in our newsletter, please ensure that you give us permission to use their photo.

## Well done to years 1 and 2. You have been playing Maths with Parents.

Well done to these children who have been playing the activities and watching the videos to collect items for their Mathscot!

Owen, you played *Hand Span* and compared lengths using hands. You discovered that "hands are different sizes and not a good way to measure, whereas a ruler or tape-measure always gives the same length!"

Iqra, you played *Skeleton Shapes* and made 3D shapes. You told us "it was EASY to make a skeleton cube with sticks and dough :)."

Nico, you played *Skeleton Shapes* and told us "I enjoyed it like crazy!" We are so pleased to hear how enthusiastic you are about maths!

Hillary, you played *Tracing Shapes*. You told us "it was really fun drawing the shapes and finding out what they were called." We understand that you know the properties of all your shapes too! Well done!
