As you know the May bank holiday has moved to the 8th of May to coincide with the 75th anniversary of VE Day. Sadly, we will not be able to celebrate this day in the way it was intended but the children at school have still managed to celebrate in a small way. They had History, English and Art lessons all linked to the topic and even enjoyed a picnic to mark the occasion.

Please follow our blog and Twitter feed to see more pictures and listen to Mr Wales play The Last Post, we invite you to join us in a minute silence as we remember this momentous day 75 years ago.

Or perhaps you've discovered some new skills, tips and positive aspects of lockdown that you can share with the DKHS community. Please do get in touch via our email: friends@dkh.southwark.sch.uk or via your class rep, or the school main reception who will forward your messages to us here at the DKH Friends/PTA.

CONNECTING VIRTUALLY

For the parents who've managed to chat on Zoom or Houseparty it's clear they've enjoyed having some face to face interaction. You can access these free apps from a smartphone. If you haven't managed to get these yet and would like to, we would highly recommend it so please get in touch with a parent from your class and we can help you get set up with your class What's App group - a great place to share and support each other.
