26<sup>th</sup> February 2021

## Re-opening plans at DKH

Dear Parents and Carers,

Following on from my text message to parents earlier this week, I write to you with further detail about the re-opening of DKH to **ALL pupils on the 8<sup>th</sup> March 2021**. We are absolutely delighted and cannot wait to have ALL our children back for face-to-face education. We would like to thank all parents for their hard work and support with remote learning during the last 8 weeks. You have done an exceptional job under very challenging circumstances and we applaud you. We have been very pleased to offer both remote and in class teaching during this period of lockdown and continued to provide intervention sessions remotely and in class as appropriate.

As always, our staff were in regular contact with all our families to check pupil's wellbeing, engagement with remote learning and also to provide support for families more generally. I am delighted to hear reports that engagement has been rising amongst those pupils who initially found it more challenging to get to grips with remote learning. Thank you for engaging positively with staff while we resolved technical and support issues.

In preparing for our children's return, our commitment to remain vigilant in reducing the spread of the virus and keeping everyone as safe as possible remains one of our biggest priorities. As we begin to get used to the new ways of being in school, we slowly begin to bring back some of the previously well-established school practices. Each one of those practices must be risk-assessed to ensure that we are fully compliant with the government guidance. We have already started updating our whole school Risk Assessment and this will be added to the school website shortly. To remain compliant with the current government guidelines on safe opening of schools, we would like to remind and update you of the following practices:

### Attendance

Returning to school on the 8<sup>th</sup> March is compulsory for all children and it is expected that very few children will be requested to shield based on medical grounds. The DfE has placed clear responsibility on schools to resume normal attendance procedures this will include:

- ✓ Same day calling when children do not attend school
- ✓ Calling emergency contacts where no accountability has been gained
- ✓ To take further actions for children who are considered to be persistently absent.

We are aware that some parents and children may be anxious about returning to school. We will support parents as far as possible and would encourage parents to contact us if they have any concerns about their children returning to school. We kindly request that parent's keep us fully informed if your children are unwell, attending a medical appointment or are showing symptoms of Covid-19.

Telephone: 020 7274 1829  
 Fax: 020 7924 0735  
 Email: [school@dkh.southwark.sch.uk](mailto:school@dkh.southwark.sch.uk)  
 website: [www.dkh.org.uk](http://www.dkh.org.uk)

**Social Distancing**

From Year 3 – 6, children will remain sitting in rows, limiting social distancing where appropriate, the children will be familiar with this arrangement from the autumn term.

The DfE recognises that in the Early Years it is not possible for children to socially distance as the curriculum provision is very different to the rest of the school. For this reason, the EYFS team will promote hand washing and take necessary precaution with regards to resources. EYFS – Year 2 will continue to follow their seating arrangements as before.

Children will be able to mix in year group bubbles but not beyond. Children will continue to have lunch and playtimes within their bubbles. We will continue to provide individual resources for children where possible to minimise the potential spread of the virus.

**Parents on site visits**

Unfortunately, we will have to continue to ask parents not to enter the school ground during drop off and pick up. Parents will not be permitted to enter the school building without an appointment. This is to adhere to social distancing. You may call the school office to arrange a telephone consultation or a virtual Teams meeting with a member of staff if a matter is urgent. There may be a delay in teachers responding to parent's emails as teachers will now be in class full time from the 8<sup>th</sup> March. We appreciate your understanding in this regard. Only pre-arranged visits to the school will be accommodated following the schools strict safety measures. We request that parents visiting the school wear a face mask or covering.

**Hygiene**

We will continue to observe strict hygiene practises in school. On entry to school **all** children will be required to either sanitise their hands or wash them thoroughly. We will continue to remind children of good hygiene and supervise this throughout the day.

As is the current practice we will continue to have a cleaner continually cleaning and disinfecting the school throughout the day. This is in addition to the daily evening cleaning of all spaces.

**Start and End times**

**Here is a remainder of our drop off and pick up times:**

EYFS Gate	Main Office Gate	Year 3 / 4 Gate	Dog Kennel Hill Gate
Nursery: 8:45am and 3:00pm	Year 1: 8:45am and 3:00pm	Year 3: 9:00am and 3:15pm	Year 5: 9:00am and 3:15pm
Reception: 9:00am and 3:15	Year 2: 8:55am and 3:10pm	Year 4: 8:45am and 3:00pm	Year 6: 9:15am and 3:30pm

Office Reception hours will therefore be from **9:30am – 2:50pm**. Parents and visitors will not be accommodated in the office outside of these times as this will affect children's start and leaving times.

### **After School Wrap around Provision including Breakfast Club**

Our after school wrap around provision including Breakfast Club with **TREETOPS** will be up and running from the 8<sup>th</sup> March. Please contact Treetops directly to book your child's Breakfast and After School provision from Monday 8<sup>th</sup> March onwards.

### **PE and Music Provision**

We will continue with PE and sport activities delivered by our specialist coach. Children will be resuming the PE curriculum (with the exception of contact sports) and this will happen with due regard to social distancing bearing in mind that children will be in class and year group bubbles. Any equipment used will be disinfected before and after use.

Our fantastic music provision will continue and will be delivered by Margaret and her team. All specialist activities will be delivered with social distancing in mind and will start from the 8<sup>th</sup> March.

### **Sports and Music Clubs**

We will continue with music after school clubs but our sports clubs will only resume in April.

### **Wearing Masks**

Where possible, we would request that children and parents walk to school. Children are exempt from wearing facemasks. However, we ask that adults wear a face covering when dropping off and picking up children.

### **Parking**

We understand that some parents might wish to drive to and from school, but we would like to remind you that there are parking restrictions around the school and we strongly discourage parents from parking in private resident parking spaces as this creates disharmony in our community. We have recently had police involvement and we would request that parents/carers adhere to the parking restrictions.

### **Staff Lateral Flow testing**

Staff who opted to do the weekly lateral flow testing will continue this as it supports our measures for early detection and isolation if we need to. Some staff have already started receiving vaccinations.

### **Remote Learning**

If a class is required to self-isolate for a period of time the school will provide remote learning as we did in the Autumn Term.

### **Uniform**

At Dog Kennel Hill we will continue to operate a no uniform policy. However, we must make it clear that children will be expected to be appropriately clothed for the weather and for school in general. Clothes should be changed and clean for each new day.

Fax: 020 7924 0735  
Email: [school@dkh.southwark.sch.uk](mailto:school@dkh.southwark.sch.uk)  
website: [www.dkh.org.uk](http://www.dkh.org.uk)

### **Mobile Phones**

Following the arrangements that have been in place during lockdown and as a precautionary measure year 5 and 6 children will not be allowed to bring in mobile phones at this stage.

### **Late Arrivals**

Children who are late may have to wait for a year group to enter the building prior to being permitted to enter, so please be on time.

### **Water bottles**

Please send your child to school with a labelled water bottle. This should contain water only. Children will be able to fill up their bottles drinking from the drinking fountains in the playground but not drink directly from the tap due to our Covid 19 procedures.

### **Lunch time**

All children will receive a hot meal and will be timetabled to eat within a year group bubble in the lunch hall. Packed lunches should be packed in disposable bags and not lunch boxes please.

### **Return of devices**

We would like to request all parents/carers to return devices like laptops and iPads that were borrowed during lockdown. Please can we remind parents to ensure that all personal data like email accounts etc. is removed from the device before it is returned. We will not have any Team meetings on Friday 5<sup>th</sup> March. This will be an ideal time for parents/carers to return the device. Parents/carers who borrowed devices will receive a text message and a call from the office to arrange return of the device.

I hope this helps clarify any immediate questions that you may have. Thank you once again for your support and understanding. We do look forward to welcoming all our children back on Monday 8<sup>th</sup> March.

Yours Sincerely,

.....  
Galiema Amien – Cloete  
Executive Head Teacher
