HALF TERM

During the half term holiday we will be upgrading all our computers and servers to Windows 10.

This is a huge job which we hope will help make our network a lot more efficient. You will also be able to receive emails from school after the half term as all malware will be deleted.

Arts' Week

Dear Parents/Carers,

When the children return after the half term break, we will be celebrating the wonderful world of art during Arts' Week. Our theme is: Superheroes.

During the week, your child will engage in a number of art activities (both independently and collaboratively) and will be producing high quality creative work that will form part of our art exhibition the following week.

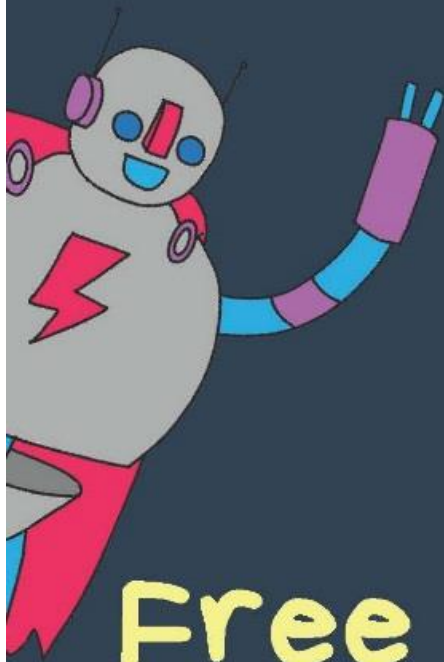

Each pupil will add their own superhero building to a whole school Superhero London Landscape. **Please could you collect cardboard boxes (all sizes) and bring them into school**, so that we can use them to create our wonderful world.

Every day after school, children can join in a spontaneous creativity session outside Elder classroom.

Additionally, on **Thursday 6th June** at **9.15**, the whole school will take part in a SUPERHERO SUPERDRAW where everyone will draw a superhero portrait using a range of materials (paper, pencils, pastels, chalks, water, paintbrushes and more!) To make this event even more special, we are inviting all parents/carers and family members to join us on this creative occasion!

Finally, on Friday, we invite children to come to school dressed up as a superhero. It will be a great way to finish our week of creative learning.
