Arts' Week

This week we have celebrated creative learning during our Arts' Week. I have been astounded by the quality of work produced by our pupils so far, from Early Years to Year 6.

*Classes have been working on individual projects but have also worked collaboratively on whole school projects such as **OUR SUPERHERO CITY** and the **SUPERHERO PEG DOLL PROJECT**.*

*Additionally, yesterday (in the glorious sunshine) we took part in a **SUPERHERO SUPERDRAW** outside in the playground. It was great seeing children using chalks to draw their portraits on the ground and walls, even if the rain has now washed them away!*

Observing our talented children and staff being active and creative learners has been fantastic.

Thank you to all the adults who have taken time to help us create outstanding pieces of art but also ensured a wonderfully successful week of art celebration.

Next week, the children will be showing off their work in the DKH Art Exhibition on Thursday 13th June starting from 3:30 - 5:30.

Year 6 will be holding a 'Bake Off' Bake Sale on Monday, 10 July. They will bring in their baked creations - whether it is cakes, biscuits or cupcakes - for a fun Bake Off style competition during the day. All their tasty efforts will then be sold off to the rest of the school in the playground at the end of the day. So come along and have a slice of the action - yum, yum!

STARTS 14th JUNE 2019

DKHS FRIENDS

NEWSLETTER

Hello + welcome to Friends DKHS newsletter.....

There are lots of exciting things to share with you so we thought we'd drop you a line and let you know what's been happening, plus there's info on some exciting upcoming events.

The aim of Friends DKHS is to raise money that benefits and enriches the learning and experiences of each child at our school. This can be through funding school trips to putting on community and family events like the Summer Fair. Any time, skills or donations you can give all counts so feel free to get involved when you can.

DKH ALLOTMENT SUCCESS GROWS

Friends of DKH have been helping the allotment re-vamp (a lot of manure was involved!) located across the road in Lettsom Gardens. Y2 teacher Ms Brown has led the charge with the planting. Anyone up for a spot of digging, weeding or planting please drop us a line at reception or email at friends@dkh.gov.uk

SUMMER FAIR - WE NEED YOU

Parents are running carnival workshops with pupils from all Reception to Y5 classes in the lead up to our legendary School Summer Fair. We are building on the success of last year (so good it made it to the South London Press) and this year we will be creating floats, costumes and banners for our carnival procession. There will be a festival music stage run by the talented School Music team + children are encouraged to show off their talents.

We need your help: if you can volunteer to run a stall for any time on 13 July, help set up or clear down we would really like to hear from you. Please sign up at Main reception and choose your preferred stall and time slot.

'FUN'draising FUN RUN

Back in April pupils, teachers and parents took part in a fun run organised by Friends

Did you know...
DKH Friends funded the school's astro turf + the roaringly successful playground climbing frame? It is still nicknamed the Tiger due to the design of the climbing frame previously in its place.
