Amelia	Rock Legend	Beech	Year 4				

## Have you been playing Maths with Parents?

Have a look at what  
some of the children in  
KS1 have been up to!

**Gabriel**, you played *Fact Family Snap!* and told us that "the numbers were good!"

Your family told us that you did well with your multiplication.

Well done! We love seeing your maths at home!

**Karemel**, we love seeing you playing *Would You Rather*, at home.

You told us you enjoyed teaching your God sister how to play. Well done for being a great teacher! It looks like you were having a lot of fun too!

What great concentration **Charles!**, You played *Splat the Number*. You told us that you "It was easy but you enjoyed finding the right number!"

Your parents told us that you "enjoyed trying to find the right number."

We love seeing your photos. If you want your child to feature in our newsletter, please ensure that you give us permission to use their photo.

## Well done to years 1 and 2. You have been playing Maths with Parents.

Well done to these children who have been playing the activities and watching the videos to collect items for their Mathscot!

### How do you join in with the fun and learning?

- 1) Visit <http://www.mathswithparents.com>
- 2) Click the Log In button, then the New Parent button
- 3) Enter your child's class code  
**Oak Class : 409515**  
**Birch Class: 580792**  
**Cherry Class: 626182**  
**Willow Class: 446059**

Jordan, you played *Splat the Numbers* and said "I learned all the numbers that make 10." If you know the numbers that make 10, can you work out the numbers that make 20?

Davida, you played *Splat the Numbers* and said "I was a little bit confused with  $0 + \_ = 10$  but then I remembered that 0 is nothing so  $0 + 10 = 10$ !" Great reasoning, Davida!

### Maths with Parents Club

Join Miss Currier  
from 3:00 – 3:30  
every Thursday in  
the ICT suite to play  
Maths with Parents  
with your child.

Mia, you played *Food Fractions* and told us "It was a bit tricky because I had to count the food but it was fun!" Well done for sticking with it and showing our school value of resilience!

Brooklyn, you played *Would you Rather* and told us "I like fractions!" You family told us "you liked deciding which fraction would give you more food." We love your enthusiasm Brooklyn. Keep it up!
