23rd March 2020

Dear Parents/Carers,

Thank you to all those parents who have supported the school in keeping our community safe by adhering to government guidance today. We continue to work very hard to put systems and schedules in place to support our families as much as we can and adapt to the ever-changing advice and circumstances.

Can we ask parents to please continue to be safe and keep children at home if they have a parent, family member or friend who can provide appropriate childcare. If this is not possible, and parents are one of the listed key workers, then please ensure you bring proof of your place of if you need your child to attend school.

In order for us to plan our staffing arrangements and timetables, can we ask that parents do not send their children in on an ad hoc basis – we need to have an idea of pupil numbers to properly allocate staff for the whole week. For parents working shift work we ask that you let us know in advance so we can plan adequately.

We are providing lunch at school for those children who qualify for Free School Meals and therefore we will not be offering the voucher scheme. Following today's attendance, we have a much better idea of what our community needs. Thus, from tomorrow we will require parents to contact the school office by 9:30am in order for your child to be offered the 'lunch only' provision.

All children need to enter and leave the school via the school office entrance for ALL drop off and pick-ups. Please make sure you exercise social distancing when dropping off and picking up.

I am sure you will join me in thanking all the wonderful staff, who are working here and at home, to prepare work and ensure that children and families are supported as much as possible during this challenging time. Please keep referring to our website, there is a link to the learning resources page <http://dkh.org.uk/home-learning-resources/> this page will be updated regularly with a range of home activities for you to do with your children.

If parents or carers need the services of a foodbank, please get in contact with the school directly for further support.
