A Message from our Head of School

Dear Parents and Carers,

The end of the year is quickly approaching and it has been a very busy week at DKH. Our Year 6 leavers enjoyed their celebration evening. The children had a brilliant time and we were so pleased to be able to commemorate their time at DKH and celebrate the start of their new journey. Please click [here](#) to see more!

This week also saw our fabulous drummer's and accordion players performing a Drum Kit and Accordion Concert, which you can enjoy [here](#).

DKH are so excited to have launched Forest Schools this summer and you can see our latest pond dipping adventures [here](#) as well as on [Twitter](#) and on our website. Please follow us and feel free to share and re-tweet!

Also this week, Year 3 class had Ele Johnstone, a Big City Butterflies Engagement Officer, deliver a special workshop which included live moths straight from our very own Forest School (don't worry, our moths were not hurt!) You can see more [here!](#)

On Wednesday the 21st DKH children will take part in a **Community Music Procession**. This will be a great opportunity to share our music and positivity with our community. We will provide you with more information soon!

Please note there will be an early finish on Thursday 22nd July. Please see page 3 of the newsletter for the staggered departure times.

Finally, I know that we are all looking forward to the removal of restrictions and returning to typical arrangements for the start and end of the school day. **Further communication outlining our arrangements will be sent to parents in August**, in preparation for the new school year.

DKH Sports Day

Sports Day is a great chance for children to develop their leadership, teamwork, resilience and communication skills, as they interact with others and face new challenges

Children from Nursery to Year 6 took part in their annual Sports Day this week. Although we missed having parents and carers cheer the children on, a fantastic time was had by all. A big thank you to Miss Reid for organising the event and to the Friends who provided ice lollies to help us end the week on a refreshing note!

Here are just a few photos from our EYFS Sports Day and we think the smiles say it all! **All the photos, for EYFS to Year 6, will be available for you to enjoy, by Sunday the 18th of July through this [link](#).**

Meet the Teacher

Parents and carers are invited to meet their child's new class teacher on **Wednesday the 21st of July**. Meetings will take place virtually using the links below. This will be an opportunity for teachers to introduce themselves and provide a bit of information about your child's class, next year.

Children will also be meeting their new teachers, spending a bit of time in their new classrooms and having lots of fun while learning, on Monday the 19th of July.
