

News from the Forest

Nursery and Reception discovered three fairies in our forest! We worked together to make a special fairy home for the fairies. With help from Ms Hulse,

we tied special knots and used a mallet to help keep the sticks in the right place! We are hoping the special house might encourage new fairies to come and stay!

Year 1 had a truly magical session on Friday! Children made their very own magic wands. We each found a stick in the forest and had a go at using peelers to 'whittle'.

We then used double sided tape and collected special leaves and flowers to stick onto our wand. We loved doing magic spells together!

Next week will be this Year 1 groups last session. We have had the best six weeks exploring the forest and the children are very excited for Friday's celebratory bonfire!

Year 2 also enjoyed a spot of whittling! The children loved using potato peelers to peel the bark off of the twigs and with a little support we made our very own Forest School pencils! Children loved using their pencils to write their names in the mud.
