## Year 5: What inner forces affect how we think and behave?

### Big question for year: How do beliefs influence actions?

#### Vocabulary

**Nineveh:** An ancient Assyrian city on the Tigris across from the modern city of Mosul in the northern part of what is now known as Iraq

**Jonah:** Jonah was a Jewish person whom God had called to be a prophet but who refused to accept his divine mission and left on a sea voyage instead

**Adam and Eve:** For Christians, when Adam and Eve fell from their state of innocence, they brought sin into the world, and had to leave the garden of Eden

**Temptation:** the desire to do something, especially something wrong, forbidden or unwise

**Yom Kippur:** The “Day of Atonement”. This is the day when Jews don’t eat or drink (Fast) for 25 hours, and confess any wrongs they may have done in the previous year. It is a time of prayer and meditation, a time to say sorry and to make up for the wrongs done. The most important day of the Jewish year

**Bilal:** A former slave, he was one of Muhammad (PBUH) companions. He was tortured for his beliefs but would not deny them

**Buddha:** “The Awakened One” or “Enlightened One”. The Buddha was a human being – he did not claim to be a god or prophet – who became “enlightened”, which means that, through his own efforts, he came to understand what life was all about.
