What I already know:

Science:

- compare and group together different kinds of rocks on the basis of their appearance and simple physical properties
- describe in simple terms how fossils are formed when things that have lived are trapped within rock
- recognise that soils are made from rocks and organic matter

What I will learn now:

To use evidence to investigate what life was like for the Stone Age man.
 To explore the changes that took place during the Stone Age and describe their significance.
 To use evidence from Skara Brae to find out what life was like towards the end of the Stone Age.
 To explain how Stone Henge was built.
 To discuss reasons why Stone Henge was built.
 To use evidence to investigate what life was like during the Iron Age.
 To describe the major changes that took place from the Stone Age to the Iron Age

Skills

- Identify why the types of sources referred to can vary when researching pre-history.
- Place events, objects and themes from a specific topic on a timeline
- Use terms relating to historical periods e.g. millennium.
- Ask questions about the viewpoints provided by simple picture source.

What I will learn next:

Year 3

Ancient and Modern Egypt

Focus on Ancient Egypt to explore the achievements of the earliest civilizations

Year 4

Anglo Saxons:

Britain's settlement by Anglo-Saxons and Scots

The children will study another British history unit on how, when and why the Anglo-Saxons and Scots invaded Britain.

Year 4

Romans:

The Roman Empire and its impact on Britain

The children will study a unit of British History where they will understand where the Roman Empire began and establish a chronological understanding of the Roman Invasion of Britain

Year 5

The Vikings

The children will use evidence to build up a picture the Viking era. Select relevant sections of information.
