

News from the Forest

Our Early Years children had their first trip to forest school this week! The children were so excited to begin their forest school adventure and loved painting, making fairy houses and exploring the woodland. The children were lucky enough to see a family of frogs and newts nestled under a log. We learnt that these creatures like to hide somewhere dark and their skin camouflages with the soil - can you spot them in the photos?

We had so much fun and can't wait to go back!

You can look at more photos on your child's Tapestry profile.

Year 1 had a fabulous time in the forest on Friday morning! The children were so pleased to come back into our woodland and enjoy all their favourite familiar activities. The children enjoyed playing fairies, reading stories in our special cabin, mud painting and looking at the new things that have grown over the summer holiday.

The children were so pleased to return to the forest and are really excited that they will be coming every Friday until half term as part of their transition into year 1.

Make sure you check our school twitter to see lots more photos of our morning in the forest!

Year 3 had so much fun making tea – their favourite forest school game and searching the pond for signs of life. It was amazing to see just how much our forest had grown over the summer – the grass is so long and there are lots of cooking apples that have fallen from our apple tree.
