

News from the Forest

Our Early Years children enjoyed their trip to the forest school on Thursday. This week the children have been learning all about the gingerbread man and have been searching high and low for him! We had a look for signs of the cheeky man in the forest...

Instead we found lots of slugs, snails and worms!

Please remember to leave wellies and a change of clothes in your child's classroom so that the children can have lots of fun without worrying about getting wet!

Year 1 had a great time exploring the forest this morning. The children LOVED playing in muddy puddles today so we made sure we were all dressed properly in our forest school waterproofs and wellies! We love jumping in muddy puddles and 'making science experiments' trying to make the water move in different ways by blocking its path with buckets and sticks!

We were lucky enough to spot another frog hiding in our long wavy grass – we have to look very closely or we miss them!

Year 2 enjoyed a wet forest school session! The children really made the most of Wednesday's wet weather and made a big river running down to the bottom of the pond. We loved splashing in the river and enjoying the rain!

We also spent a long time by the pond and talked lots about how the creatures in our forest are tricky to find as so many are getting ready to hibernate for the winter. Sleep tight forest school creatures!

Year 3 are lucky enough to have been coming to the forest every week for a year now! The children feel so at home in the forest! Together we enjoyed making puddles, looking in the pond and collecting snails!

We are nearing the end of this half term which can only mean one thing... it is almost time for our traditional bonfire! This is a real highlight for our children and a huge opportunity for learning! **Year 1, 2 and 3 parents please can you begin to bring in one of the following items hot chocolate, biscuits, brioche or halal marshmallows.** The children in the Early Years will have their bonfire after half term as a part of our firework night celebrations.
