

News from the Forest

This week we had our fabulous forest school bonfires! We talked all about the different things we need to build the fire and why. The children learnt why fires need oxygen and how by fanning the fire we can help the fire grow.

The children loved toasting their marshmallows, making s'mores, eating delicious warm brioche and drinking their hot chocolates by the fire.

Thank you so much for your donations – we couldn't do special things like this without you!

A huge thank you to Year 1 and their families! Year 1's whole class forest school sessions for transition have come to an end. The children shared their favourite memories of forest school from Reception and Year 1 while we sat around the fire and said their goodbye, thank you and love you forest as they left. The forest will miss them too!
