PE Days

Elder Class

PE will take place on **Thursdays**.

We are delighted to inform you that a Maleek Ellis, a specialist sports coach from TGI (Team Get Involved), will continue to deliver PE sessions.

PE Uniform

Please make sure that your child is wearing the correct PE uniform. This includes:

					
Navy Blue Joggers	Navy Blue Jumper	White T-Shirt and running shoes or AstroTurf football shoes. No canvas style trainers.	White T-Shirt	Navy Blue Shorts (at the length pictured)	Plimsolls/ gymnastic shoe/bare feet for dance and gymnastics

Outdoor shoes must not be canvas to prevent ankle and foot injuries. AstroTurf football shoes are recommended for those that play football regularly as they are hard wearing, otherwise running shoes are the most comfortable and supportive

PE Lessons:

It is best that children bring both indoor and outdoor kit for all lessons just in case we have to change the venue of the lesson because of the weather.

High standards of behaviour:

The Governors strongly believe that high standards of behaviour lie at the heart of a successful school. Good teaching and learning promote good behaviour and good behaviour promotes effective learning. Children have the right to learn and to achieve their full potential in all aspects of their lives, and staff have the right to teach. Governors also believe that the expectation of high standards of behaviour which are required during the school day can have a positive effect on the life of young people outside school in encouraging them to become successful citizens.

We continue to use Zones of Regulation across the school as well as providing and encouraging the use of reflection boxes in each classroom. Children take part in regular brain breaks and mindfulness sessions.

The school has a behaviour policy which can be found on our school website.

Meet the safeguarding team!

The role of the safeguarding team is to manage all matters of safeguarding and child protection across the school. This may mean having a discussion with you regarding the wellbeing of your child. The team works in a non-judgmental, supportive way and can signpost you to agencies that offer guidance and support for you, your child or your family.

We know that all families, at some point in their lives, face difficult times. The team is not there to judge but to empower you to work in partnership with them and outside agencies in the best interest of your child.
