Outdoor shoes must not be canvas to prevent ankle and foot injuries. AstroTurf football shoes are recommended for those that play football regularly as they are hard wearing, otherwise running shoes are the most comfortable and supportive

PE Lessons:

It is best that children bring both indoor and outdoor kit for all lessons just in case we have to change the venue of the lesson because of the weather.

High standards of behaviour:

The Governors strongly believe that high standards of behaviour lie at the heart of a successful school. Good teaching and learning promote good behaviour and good behaviour promotes effective learning. Children have the right to learn and to achieve their full potential in all aspects of their lives, and staff have the right to teach. Governors also believe that the expectation of high standards of behaviour which are required during the school day can have a positive effect on the life of young people outside school in encouraging them to become successful citizens.

We continue to use Zones of Regulation across the school as well as providing and encouraging the use of reflection boxes in each classroom. Children take part in regular brain breaks and mindfulness sessions.

The school has a behaviour policy which can be found on our school website.

The team works in a non-judgmental, supportive way and can signpost you to agencies that offer guidance and support for you, your child or your family.

We know that all families, at some point in their lives, face difficult times. The team is not there to judge but to empower you to work in partnership with them and outside agencies in the best interest of your child. Alternatively, if you wish to enquire about services they offer, please do not hesitate to contact a member of the safeguarding via the main school office.

- **Directed letters** (on occasions)
- **Termly Coffee mornings**
