

## Jigsaw knowledge and skills progression: Celebrating Difference Ages 3-11(12)

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the **spiral** knowledge and skills progression within the planned Celebrating Difference Puzzle (unit of work) for this age group, includes some of the key vocabulary and contains suggestions for Family Learning.

Please ask your child's school for details of any adaptations they have made to the programme in line with their school policy as some of the content and vocabulary may have been changed, or be taught in a different year group. This may be especially true if this is their first year of using Jigsaw PSHE.

CD	Knowledge	Social and Emotional Skills	Questions for Family Learning
<b>Ages 8-9</b>	<ul style="list-style-type: none"> <li>Know that sometimes people make assumptions about a person because of the way they look or act</li> <li>Know there are influences that can affect how we judge a person or situation</li> <li>Know that some forms of bullying are harder to identify e.g. tactical ignoring, cyber-bullying</li> <li>Know what to do if they think bullying is, or might be taking place</li> <li>Know the reasons why witnesses sometimes join in with bullying and don't tell anyone</li> <li>Know that first impressions can change</li> </ul>	<ul style="list-style-type: none"> <li>Try to accept people for who they are</li> <li>Identify influences that have made them think or feel positively/negatively about a situation</li> <li>Identify feelings that a bystander might feel in a bullying situation</li> <li>Identify reasons why a bystander might join in with bullying</li> <li>Revisit the 'Solve it together' technique to practise conflict and bullying scenarios</li> <li>Identify their own uniqueness</li> <li>Be comfortable with the way they look</li> <li>Identify when a first impression they had was right or wrong</li> <li>Be non-judgemental about others who are different</li> </ul>	<ul style="list-style-type: none"> <li>What is an assumption? Are assumptions always right?</li> <li>What can influence us to make an unfair judgement about someone else?</li> <li>Is social media always helpful?</li> <li>What's good/ bad about social media?</li> <li>What is a stereotype? What stereotypes do you see on social media, in the movies or on TV?</li> <li>Are stereotypes fair?</li> <li>Do you know any rules for staying safe with technology?</li> <li>What could you do if you were worried about something online or in social media e.g. cyber-bullying?</li> <li>Does your Jigsaw friend help you learn?</li> <li>What does Jigsaw Jerrie cat do in your lessons?</li> </ul>
	<p>In this Puzzle (unit) the children talk about judging people by their appearance, first impressions and what influences their thinking on what is normal. They talk about bullying, including online bullying and what to do if they suspect or know that it is taking place. They discuss the pressures of being a witness and why some people choose to join in or choose to not tell anyone about what they have seen. The children talk about their own uniqueness and what is special about themselves. They talk about first impressions and when their own first impressions of someone have changed.</p>		
	<p><b>New key vocabulary that may be introduced:</b> Character, Assumption, Judgement, Surprised, Appearance, Accept, Influence, Opinion, Attitude, Bullying, Secret, Deliberate, Bystander, Witness, Problem solve, Cyber bullying, Text message, Website, Troll, Physical features, Impression, Changed.</p>
