

Jigsaw PSHE knowledge and skills progression: Being Me In My World Ages 3-11(12)

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the spiral knowledge and skills progression within the planned Being Me in My World Puzzle (unit of work) for this age group, includes some of the key vocabulary and contains suggestions for Family Learning

Please ask your child's school for details of any adaptations they have made to the programme in line with their school policy as some of the content and vocabulary may have been changed, or be taught in a different year group. This may be especially true if this is their first year of using Jigsaw PSHE 3-11.
