

## Quote of the day:

## Walk to School Week

Monday 20<sup>th</sup> May to Friday 24<sup>th</sup> May is walk to school week. Southwark Council are running a walk to school diary competition, with the school completing the most diary entries winning a prize. All children who complete a diary will also receive a certificate. Through this challenge, children will be well on their way to reaching their recommended 60 minutes minimum of physical activity per day before even reaching the school gates! Last year, over 750 schools across the UK took part! Help us make 2024 the biggest year yet!

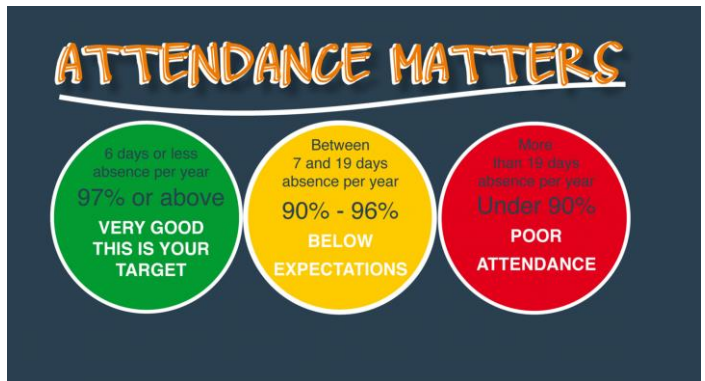

We will be speaking to all the children about the competition in class and in Monday's assembly. If your child would like to take part in the competition, then they can get a 'walk to school diary' to complete from their class teacher. Those taking part will need to write about walking to school each day. Things that children could write in the diary could include:

- How many cyclists did you see on the road?
- How many children did you notice walking to school?
- What did you enjoy about your journey to school.
- What did you did you not enjoy about your journey to school.
- Improvements you would make to the road/street in order to make your journey safer and healthier.

## Our Curriculum

The **Relationship, Sex and Health Education (RSE) curriculum** became statutory in September 2020. Relationships and Sex Education supports and guides children and young people in lifelong learning about relationships, emotions, the human biology of sex and sexuality. It is **compulsory** for all primary school children to receive relationship education. At DKH we follow the Christopher Winter's Project. **You can find out more [HERE](#)** as well as watch a video, which provides further information and answers **frequently asked questions, [HERE](#)**.

Please note the RSE lessons will begin after the May Half Term.

**Good attendance is essential** for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances.

**Schools have a responsibility** to proactively manage and improve attendance across their school community.

**Ms Nichols**, our Safeguarding and Intervention Officer, is here to help and support. Please feel free to contact her via the school to organise a meeting or phone call.

# We love LEARNING

This term, Beech class have been studying Ancient Egypt as part of their History topic. They have been looking at how the Ancient Egyptians were so advanced in their technology for their time. They were master builders, philosophy pioneers, great writers and story tellers using their ancient form of writing known as hieroglyphics...
