

Quote of the day:

Year 6 School Journey

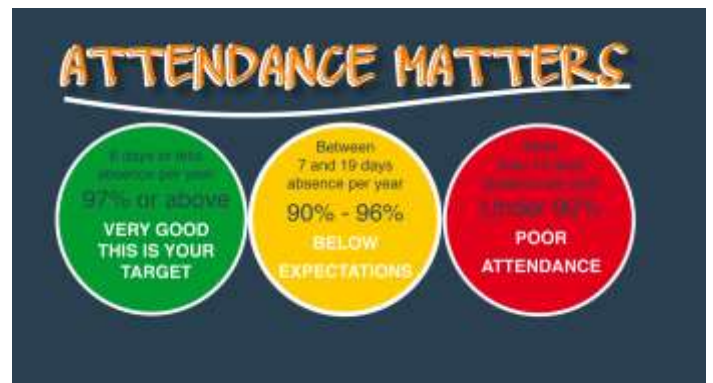

Year 6 children had a fantastic time this week on their school journey to Hindleap. It has been a great opportunity for them to build on their independence and social skills as well as having a great week of fun. We are really proud of how the Year 6 children represented themselves while they were away. Well done!

Our Curriculum

The **Relationship, Sex and Health Education (RSE) curriculum** became statutory in September 2020. Relationships and Sex Education supports and guides children and young people in lifelong learning about relationships, emotions, the human biology of sex and sexuality. It is **compulsory** for all primary school children to receive relationship education. At DKH we follow the Christopher Winter's Project. **You can find out more [HERE](#)** as well as watch a video, which provides further information and answers **frequently asked questions, [HERE](#)**.

Please note the RSE lessons will begin after the May Half Term.

Good attendance is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. **Schools have a responsibility** to proactively manage and improve attendance across their school community.

Ms Nichols, our Safeguarding and Intervention Officer, is here to help and support. Please feel free to contact her via the school to organise a meeting or phone call.

Deputy Headteacher Appointment

This week we have been holding interviews for the position of Deputy Headteacher. We are delighted to have made an appointment of one of our candidates, Ms Muller, who will begin the role on 29th August. We look forward to welcoming the new Deputy Headteacher in the new academic year. Ms Muller is looking forward to meeting all the children and parents. We will let you know on which days she will be onsite.

Competition Time

We are excited to announce that we are running a Spanish Empanada Recipe Competition this term. Empanadas are Spanish or Latin American pastry turnovers that are filled with a variety of savoury ingredients. We are encouraging children to take part and think of delicious and creative fillings for making a stand out empanada. Chacarero, our local Argentinian empanada shop in East Dulwich, will be helping to judge the recipe entries and will donate a prize to the winning contestant. The deadline for submissions is Friday 14 June and the winners will be announced on Spanish Day, the 2nd July.

Asian Hornets (a type of wasp) can kill upto and over 50 bees per day (which is sad because bees help flower polinate). You can learn more about how to help bees by clicking [here](#).

We love LEARNING

Elder Class have been learning about '**Living Things and their Habitats**' for Science. We visited Lettsom Gardens to look for plants and animals in microhabitats. We looked in leaf litter, under logs, in holes in walls and in tree trunks...

Then we thought about food chains in different habitats...!
