Phonic Screening Tests

Well done to all the children who have completed their Phonic Screening test this week. We are really proud at how hard all the children worked and how they all tried their very best. Well done!

Our Curriculum

The **Relationship, Sex and Health Education (RSE) curriculum** became statutory in September 2020. Relationships and Sex Education supports and guides children and young people in lifelong learning about relationships, emotions, the human biology of sex and sexuality. It is **compulsory** for all primary school children to receive relationship education. At DKH we follow the Christopher Winter's Project. **You can find out more [HERE](#)** as well as watch a video, which provides further information and answers **frequently asked questions, [HERE](#)**.

Please note the RSE lessons will begin this Half Term.

Good attendance is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances.

Schools have a responsibility to proactively manage and improve attendance across their school community.

Ms Nichols, our Safeguarding and Intervention Officer, is here to help and support. Please feel free to contact her via the school to organise a meeting or phone call.
