## Our Curriculum

The **Relationship, Sex and Health Education (RSE) curriculum** became statutory in September 2020. Relationships and Sex Education supports and guides children and young people in lifelong learning about relationships, emotions, the human biology of sex and sexuality. It is **compulsory** for all primary school children to receive relationship education. At DKH we follow the Christopher Winter's Project. **You can find out more [HERE](#)** as well as watch a video, which provides further information and answers **frequently asked questions, [HERE](#)**.

Please note the RSE lessons will begin this Half Term.

## Information Session

Miss Hulse will be holding a parent/career information session, about the Christopher Winter's Project. This will be on Friday 14<sup>th</sup> June in the lower hall at 9am.

## New Deputy Headteacher

Ms Leah Grant-Muller (Ms Grant) will be in school on the 10<sup>th</sup> and 15<sup>th</sup> July. She will be meeting children and staff over the course of those days. Ms Grant will also be on the playground after school where she will be able to meet and speak with parents.

**Good attendance is essential** for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. **Schools have a responsibility** to proactively manage and improve attendance across their school community.

**Ms Nichols**, our Safeguarding and Intervention Officer, is here to help and support. Please feel free to contact her via the school to organise a meeting or phone call.

# We love LEARNING

All children took place in Science Day, this week. We were lucky enough to have a Science Boffin visit our school. The children started off with a whole school assembly where the children were dazzled by states of matter: bubbles, fire and dry ice! It was followed by workshops for each class. The day concluded with an amazing rocket launch in the playground.
