30 September 2024

Dear Parents and Carers,

We would like to welcome you and your children back to a new school year and hope you all had a happy and relaxing summer break. Whether you are returning to one of our schools or joining us for the first time, we are delighted to have you as part of our NEST community of schools.

NEST now has 20 schools and approximately 6250 pupils. We therefore work in partnership with many parents and we value the supportive and positive relationships we have with you all.

At NEST, we are dedicated to providing a nurturing and stimulating environment where every child can thrive academically, socially, and emotionally. Our talented teams of teachers and staff have been preparing diligently to ensure that your child receives the best possible education and support throughout the year.

We believe that strong partnerships between school and home are essential to a child's success. We encourage you to be actively involved in your child's education and to work closely with us to help them reach their full potential. There will be many opportunities throughout the year for you to engage with the school, whether through parent-teacher meetings, school events, or volunteer opportunities.

Parent Code of Conduct

To maintain a positive, respectful, and supportive environment for our children, staff, and all members of the school community, we kindly remind you of our Parent Code of Conduct, which can be found on the school's website or using [this link](#). The Code is designed to promote constructive communication and collaboration, ensuring that everyone in our school community feels safe and respected.

We expect all parents and guardians to:

- **Communicate respectfully:** Engage with all staff and other parents in a polite and constructive manner. Avoid raising concerns in front of children or other parents and instead, address issues through the appropriate channels.
- **Support school policies:** Adhere to school policies, including those related to attendance, homework, and behaviour. Encourage your child to follow the school rules and support them in their learning.
- **Be a positive role model:** Demonstrate positive behaviour and attitudes towards the school, staff, and students. Your actions and words set a powerful example for your child.
- **Maintain confidentiality:** Respect the privacy of students, staff, and other families. Avoid discussing sensitive matters in public forums, including social media.
- **Address concerns properly:** If you have any concerns or issues, please approach the school directly and allow us the opportunity to resolve them in a fair and timely manner.

We have an exciting year planned, filled with motivating learning opportunities. Please check your child's school website for important dates and events, and do not hesitate to speak to your class teacher at the start or end of the day or email the school office if you need to.
