Our Vision

Within the Nexus Schools Education Trust (NEST), we aspire to create a supportive environment for personal growth and where enquiring minds develop a passion for learning.

“Respect, Ready, Safe”

Behaviour Ladder

High standards of behaviour:

The Governors strongly believe that high standards of behaviour lie at the heart of a successful school. Good teaching and learning promote good behaviour and good behaviour promotes effective learning. Children have the right to learn and to achieve their full potential in all aspects of their lives, and staff have the right to teach. Governors also believe that the expectation of high standards of behaviour which are required during the school day can have a positive effect on the life of young people outside school in encouraging them to become successful citizens.

We continue to use Zones of Regulation across the school as well as providing and encouraging the use of reflection boxes in each classroom. Children take part in regular brain breaks and mindfulness sessions.

The school has a behaviour policy which can be found on our school website.

Zones of Regulation

School Day

Play Time

Year 1, 2 & 3:

playtime at 10:00 – 10:15

Lunch Time

Year 1, 2 & 3:

lunchtime at 12:00 – 1:00

Drop off arrangements:

- The gate on Grove Hill Road will open at **8:45am**. Children and parents/carers should enter through this entrance. There is now a single point of access by the pedestrian crossing
- Parents/carers should accompany children into the playground and children will proceed directly to their classrooms.
- Parents/carers should exit the premises via the gate on Grove Hill Road.

*Please note that children who arrive after **9:00am** should enter via the school office and will be marked as late.*

Collection arrangements:

- Children in Years 1-6 should be collected at **15:30**. School gates will open at **15:25**. Parents/carers should enter the school via Grove Hill Road.
- Parents/carers are asked to collect their children and promptly leave the school premises via the gate on Grove Hill Road.

We respectfully ask that parents/carers are not on mobile phones when they drop off and collect their children. This is a great time to engage with you child and enquire about their day.

Homework

- Homework is set regularly and will now take the form of online learning.
- In Year 1 there will be 'Learning with Parents' and 'Numbots' tasks to complete.
- Although homework is not compulsory, we would like to encourage children to complete homework tasks as it promotes independent learning skills and positively impacts on progress.
- *Your support is greatly appreciated.*

Home Reading

- Children will be given home-school reading books in order to support them with their progress in reading. These should be returned on Thursdays with new books given out on Fridays.
- Reading with, and to, your child at home is the best way to ensure that they make progress in this vital skill. Children may also have access to the library to choose books to read in school.
- There is more support available on the school website to support reading at home.

JOTTING BOOKS

I will be sending a “jotting book” home with each of the children this Friday. They can use this to practise their writing at home. If you send the book in on a Thursday, I will stick a new picture / practice exercise for them to do.

This is optional, however the more the children practice at home, the more confident they will become.

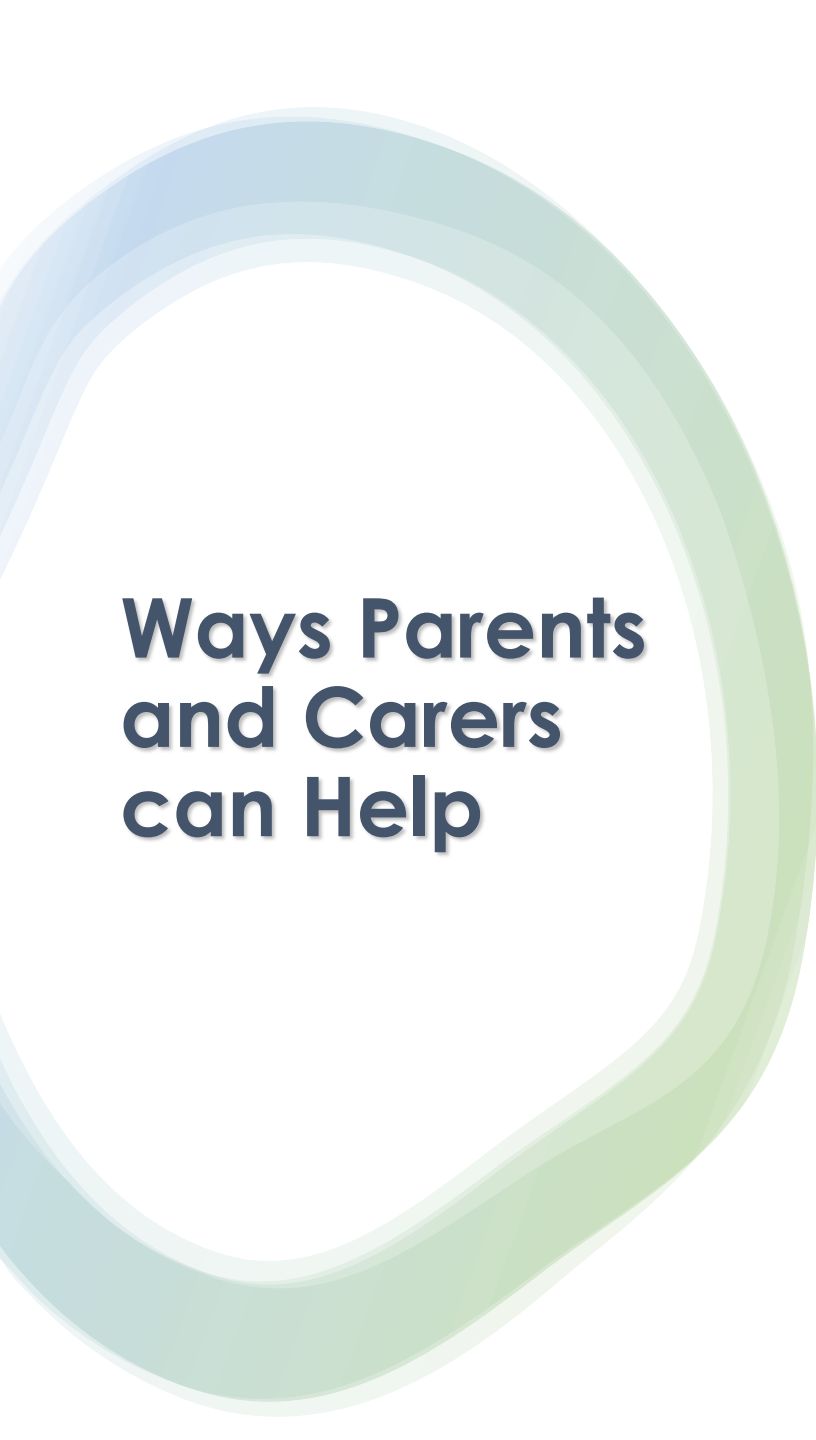

Each week, if they do writing at home to bring in, they will get a sticker on the front of their book and hopefully finish the book with a huge collection of stickers 😊

Online Learning

Your child will have access to Learning with Parents and Numbots.

Learning with Parents motivates and empowers families to have enjoyable learning experiences together. It allows children to consolidate their learning with fun activities which can be completed with items available at home. Children will be able to earn items for their very own Mathscot as well certificates for completing activities.

Ways Parents and Carers can Help

- Encourage children to write regularly including: cards, lists, letters, stories, postcards, fact files. Celebrate clear, cursive handwriting.
- Read with your child as often as you can and ask them questions so that they can interrogate the text. **Encourage a love of reading!**
- Support your child with the weekly homework tasks.
- Visit useful websites such as:
<http://www.primaryresources.co.uk/>
<https://www.phonicsplay.co.uk/>
<http://www.ictgames.com/resources.html>
<https://classroom.thenational.academy/>
- Use the local library.

Please remember:

- **Water Bottles:** Every child must bring in a water bottle, clearly labelled with their name and class.
- **Shoes:** If your child is not able to tie their own shoelaces, we ask that parents ensure they wear Velcro shoes.
- **Hair:** Children's hair that is longer than shoulder length must be tied up.
- **Bags:** Children should bring their own school bags that can fit their personal belongings including jumpers and water bottles.
- **Earrings:** For health and safety reasons, children should **not** wear hooped or dangly earrings. Studs are acceptable.
- **Watches:** Smartwatches are not permitted in school.

PE Days

PE takes place on **Thursdays**.

Millwall will deliver and support PE development and training.

Please make sure that your child is wearing the correct PE uniform. This includes:

 Navy Blue Joggers	 Navy Blue Hoody	 White T-Shirt and running shoes or Astroturf football shoes. No canvas style trainers.	 White T-Shirt	 Navy Blue Shorts (at the length pictured)	 Plimsolls/ gymnastic shoe/bare feet for dance and gymnastics
---	--	---	--	--	---

Outdoor shoes must not be canvas to prevent ankle and foot injuries. AstroTurf football shoes are recommended for those that play football regularly as they are hard wearing, otherwise running shoes are the most comfortable and supportive

PE Lessons:

It is best that children bring both indoor and outdoor kit for all lessons just in case we have to change the venue of the lesson because of the weather.

Home - School Agreement

Parent / Carer:

To help my child at school, I will do my best to:

- Make sure that my child attends school regularly and inform the school of the reasons for any absence
- Make sure my child arrives in school on time and is collected on time
- Support the school in maintaining good behaviour and discipline
- Attend open evenings for parents.
- Ensure that my child dresses appropriately for school
- Let the school know if there are any problems that may affect my child's ability to learn.
- Provide healthy lunch choices, if my child brings in their own lunch
- Support my child with homework and other home learning opportunities and listen to my child read / read to them (at least 10 minutes per day)
- Strive to maintain a positive partnership with the school, even in difficult times.

- Take good care of the school environment
- Work hard to achieve my targets and aim to beat them
- Do my best and work hard
- Strive to follow the class moto of being 'Respectful, Ready and Safe'

Home - School Agreement

School:

Will do its best to:

- Encourage your child to do their best at all times
- Expect the best from your child in behaviour and work
- Inform parents and carers regularly how their child is progressing
- Inform children, parents and carers what the teachers aim to teach your child each term
- Take reasonable steps to ensure the safety, happiness and self-confidence of all your child
- Be open and welcoming at all reasonable times and offer opportunities for parents and carers to become involved in the daily life of the school
- Set, mark and monitor homework tasks regularly in keeping with the school's policy
- Contact parents and carers as soon as possible if we are concerned about your child's learning, progress or behaviour
- Contact parents and carers if there is a persistent problem concerning your child's attendance or punctuality
- Offer a broad and balanced curriculum which meets the needs of your child (the curriculum may be adjusted depending on DfE guidelines)
- Provide healthy lunch options
- Listen to your child's ideas and encourage them to speak out
- Encourage your child to keep fit and active
- Challenge your child and ensure that they do their best
- Ensure your child understands the teacher and any curriculum covered
- Maintain a professional and positive partnership with parents and carers, even in difficult times.

Meet the safeguarding team!

The role of the safeguarding team is to manage all matters of safeguarding and child protection across the school. This may mean having a discussion with you regarding the wellbeing of your child. The team works in a non-judgmental, supportive way and can signpost you to agencies that offer guidance and support for you, your child or your family.

We know that all families, at some point in their lives, face difficult times. The team is not there to judge but to empower you to work in partnership with them and outside agencies in the best interest of your child. Alternatively, if you wish to enquire about services they offer, please do not hesitate to contact a member of the safeguarding via the main school office.

Areas that the team can offer support or guidance on:

- poor attendance
- welfare
- wellbeing
- mental health
- decreasing risk or harm to you or your child
- support for you if you are a victim of domestic violence

Galiema Amien-Cloete (Executive Head)

Leah Grant- Muller – Deputy Head SENCO

Shirley Nichols -Safeguarding and Intervention officer

Tom Roche – Premises Manager

Communication

At Grove Primary we work hard to foster positive relationships with parents, carers and the wider community. We understand good communication will promote this. We will communicate with you via:

- **Weekly Newsletter** sent via email

The school newsletter is our main form of communication. It serves as a comprehensive source of communication, consolidating key announcements, updates, and events in one centralised place. It is designed to ensure that all members of our school community, including parents, pupils, and staff, have access to the same information simultaneously

- **Directed letters** (on occasions)
- **Termly Coffee mornings**
- **School Website:** www.dkh.org.uk
- **Text messages** (on occasions)

Contacting through the school office

Office Reception hours will be from 9:30am – 3:00pm and 3:30 – 4:00. Parents and visitors will not be accommodated in the office outside of these times as that will affect children's start and leaving times. Please note that the last query before 3:00pm is at 2:50pm to allow staff to prepare for dismissal.

Social Media

- Recent research suggests that children who were exposed to longer than two hours a day of recreational screen time on smart phones and playing video games had worse working memory, processing speed, attention levels, language skills and executive function compared with those who did not. Screen time can also be damaging to a child's sleep pattern.
- If the children are on screens, make sure it is educational and active!
- If there are older siblings, please be vigilant that the children are watching appropriate content for their age.

Who do I speak to?

Class Teacher (Teachers will attempt to respond within 3 days)

You should email the class teacher in the first instance, to discuss:
