A Message from our Deputy Headteacher

Dear Parents and Carers,

Welcome back to **Spring Term**. We have a jam-packed term full of brilliant activities starting!

Year 1 Willow Class and Year 2 Elder Class have begun their **Dance sessions** with Chantal from Pioneer Dance every **Wednesday**.

Year 5 Hazel Class started their **swimming** sessions at Camberwell Leisure Centre on **Thursdays**.

Our **Year 2 Elder Class** and **Year 4 Cedar Class** will be starting **Forest School** next week on a **Tuesday**.

We will begin our **Reading Cafe** in EYFS again from **next Tuesday 8:45-9:00**.

A range of extra-curricular clubs will also be starting up again next week.

Stars of the Week

We would like to recognize the children who have been great examples of our School values and have shown a true commitment to their learning. Well done!

Caterpillar	Kyairé for engaging in lots of homework over the holidays. Ivory for making good progress with her blending in phonics.
Willow	Alaiya for being the star of this weeks PE lesson, following instructions and encouraging others. Island for using his phonics to write independent sentences and challenging himself every day
Elder	Yzabella, Aarna & Noah for amazing, very detailed line drawings of houses from 1666. What a wonderful start to our new History topic!
Beech	Matenin for excellent focus on her writing about volcanoes this week Isaiah for trying really hard to work on his behaviour for learning
Cedar	Jaden for his calm approach to his learning this week. You made a great start to 2026! Sofia for a fantastic start to 2026 in her maths and writing this week
Hazel	David O for good work on calculating the area of rectilinear shapes Zion for good work on calculating the perimeter of 2D shapes
Maple	Johnston for his excellent focus and precision in maths this week when subtracting fractions with unlike denominators- well done! Adam for his consistent effort and positive engagement in his learning this week- keep it up!

Year 6 Learning

Grove Primary Newsletter: 9/1/2026

Once I have converted both my fractions and they have like denominators I can subtract the numerators.

I am going to find the lowest common multiple between 5 and 3

In pairs we took it in turns to produce a worked example, demonstrating to our partner the relevant steps required when subtracting fraction with unlike denominators. One our targets was to ensure that during our explanations we made use of key mathematical terminology.

This week in Maple Class, we have been working extremely hard in maths. The children have been practising how to subtract fractions with both like and unlike denominators, including subtracting mixed numbers. We have also been focusing on converting our answers when the result is an improper fraction.

Makaton Sign of the Week

Every Monday the staff and the children will be learning a Makaton sign. Makaton is a language with speech, signs and symbols used to support people who have difficulty communicating. We teach it to all of our children and staff so that we can become even more inclusive as a school. This week our Makaton sign is "snow". Please practice this at home too!

Attendance

Reception	94.77%
Year 1	94.02%
Year 2	96.20%
Year 3	92.92%
Year 4	93.97%
Year 5	88.75%
Year 6	94.32%

Please note that as directed by the Department of Education, term time holidays will not be authorised.

We are able to offer a discount to families that wish to book full week after school club and this is charged at £66.00 per week.

Wraparound Care (ASC) will not be suitable for Nursey pupils (5 years old+) we may be able to offer wraparound care for Reception children based on numbers.

Please see Carrie in the Office for more information!

Club Donations

We would really welcome donations of games and jigsaws for our clubs! Please drop any off to the Office!

Reception Reading Cafe

Our Reading Café has opened again in Reception! This week was our first session of the year and what an incredible turn out it was! Thank you for all coming along.

The Reading Café is an opportunity for you to support your child's reading development, learn new strategies to help them when reading and more importantly enjoy some quality time with your child over a book without the normal hustle and bustle of home life.

The sessions will be every week on a Tuesday 8:45 – 9am in the Classrooms.

You are invited to come along to the session with your child and share a book.

Study Bugs

Please continue to use Study Bugs when reporting your child's absence.

When stating the reason for your child's absence, please remember to specify the **exact symptoms** of the illness as these are required when marking them as 'illness' on our registers. If symptoms are not listed, it will be marked as an 'unauthorised absence'.

We are going to be phasing out using Arbor for text messages. To replace this, we will be using the in App messaging service in Study Bugs.

Scooter and Cycle Safety and Parking

If you are Scootering or cycling to school, please remember to wear your helmets! We have seen a number of children who are not wearing helmets as they are riding their bikes or scooters to school. It is essential that you wear one to protect your head from injury incase you accidentally fall off.

1

Eyes: Put the helmet on your head. Look up. You should see the bottom rim of the helmet.

2

Ears: Make sure the straps form a "V" under your ears when buckled. The straps should be a little tight but comfortable.

3

Mouth: Open your mouth as wide as you can. Does the helmet hug your head? If not, tighten the straps.

Please also be advised that parking or idling is not permitted in Karen Court Carpark, neighboring residential parking spots or on the zig zags directly outside of school. There is free parking available in the surrounding areas.

In Partnership With

Nexus Education Schools Trust Talent Pool

Looking to extend your talents to other schools
within NEST and provide more support?

NEST is now offering the opportunity for any staff wishing to increase their hours and to help provide greater support with their skills to sign up to our talent pool to be considered first for any vacancies across the Trust. All choices are yours to make, meaning you can highlight which positions you would like to work in and what schools you would be willing to commute to.

If you are interested in the chance to help make a difference and enjoy new experiences at an additional school within the Trust, please head over to MyNewTerm, create an account and search for 'Nexus Education Schools Trust' under employers in 'Find a Job' which will then allow you to sign up to the talent pool. Alternatively, you can head over to the NEST website where we have a link under staff vacancies which will direct you to our MyNewTerm page.

This is not just an exclusive opportunity to existing staff within NEST so if you know any friends or family who may be interested in this venture we would love to welcome them aboard!

Thank you for your interest!
