

A Message from our Deputy Headteacher Dear Parents and Carers,

It's our final week of term before the Easter holidays! We started this week with a wonderful assembly led by Charlotte from the Salvation Army. She delivered an informative Easter Assembly to the school, where she talked about the reason why Easter is celebrated and the importance of it to Christians.

We were also really lucky have a wonderful performance from the school Brass Band who were led by Ian from the Salvation Army!

To all those who are celebrating, happy Easter! We wish all of our families a wonderful, restful two week holidays!

Talking Tuesday

Every Tuesday, children in Reception up to Year 6 have been having class assemblies called '**Talking Tuesdays**'. The School Councilors in Years 1-6 are encouraged to lead their classes in a discussion around a question or 'silly' statement to debate. The children are also encouraged to use our 'Oracy Hand Signals' to support structuring their verbal debates.

We would love for our families to also have a go at debating at home! Our **question** this week was themed around Science Week.

"What is more important- to be liked or to be respected?" What do you think?

Early Years Learning This Week

EYFS Reception and Nursery

This week has been filled with Eid and Easter celebrations, giving EYFS a wonderful opportunity to learn that different religions celebrate different festivals. In EYFS we respect, appreciate and enjoy learning about them all! We had a joyful Eid party on Monday and throughout the week, the children have been busy creating Easter bunnies and Easter eggs, as well as writing their own Easter cards with creativity and independence. Nursery and Reception were very lucky and went on an Easter egg hunt and ate hot cross buns!

In Literacy, we have been exploring *The Very Hungry Caterpillar* and practising our writing skills by creating our own food diaries about what we like to eat. In Maths, Reception have been working hard on adding, subtracting, doubling and halving.

Ivydale Trip

CEDAR CLASS SHARE A MUSICAL PERFORMANCE WITH LOCAL SCHOOL IVYDALE!

On Tuesday 17th March, Year 4 and Grove Choir visited Ivydale school for an Easter Choir Concert. The children were amazing. They performed with gusto and were great ambassadors for our school. Bravo!

Fire Safety Workshop

Year 5 had a visit from The London Fire Brigade Education Department and they spoke to us about home fire safety. They talked about how to prevent fires, how fires can be detected, how to escape safely if there is a fire and what happens if our escape route is blocked.

Science Week in Year 5!

The theme for this year's Science Week was 'Curiosity'. In Hazel Class, we did some fun and exciting learning.

We investigated what variables were needed to make the longest lasting bubble. We worked in pairs to investigate if it was changing the amount of soap, water or sugar that would make a bubble last the longest.

Grove Primary Newsletter: 27/3/2026

Edem Boni spoke to the class on how he uses STEM in his job. He spoke about AI (Artificial Intelligence) and how it's used currently in the everyday world.

Grove Primary Newsletter: 27/3/2026

We also investigated how the Earth moves in space. We discussed about the geocentric and heliocentric model and tried to recreate the concepts of day and night.

★ Stars of the Week ★

We would like to recognize the children who have been great examples of our School values and have shown a true commitment to their learning. Well done!

Ladybird	Phebe for great participation during carpet time and confidently sharing her ideas.
Caterpillar	Oliver for joining in more with your friends and being a calm, kind member of Caterpillar class Lola counting to 10 accurately in our maths lesson - great progress!
Willow	The whole class for their brilliant work this term - you have all worked so hard and made great progress in your learning and I am very proud :)
Elder	Adam for making a huge effort to improve his handwriting Zayan for good focus in English and improving his spelling
Beech	Daniella for some really interesting and well-thought-out contributions in our R.E. lessons on forgiveness this week Edidiong for working very hard in our Maths lessons on fraction
Cedar	Ocean for working so hard to understand decimals in maths this week Liliana for great focus in writing and reading activities this week
Hazel	Yaseen for writing an excellent persuasive letter using a range of persuasive phrases David A for good work on fractions of amounts in maths, this week
Maple	Zaccai for his hard work with his arithmetic this term! Isabella for always supporting her peers and being a great team partner!

Makaton Sign of the Week

Every Monday the staff and the children will be learning a Makaton sign. Makaton is a language with speech, signs and symbols used to support people who have difficulty communicating. We teach it to all of our children and staff so that we can become even more inclusive as a school. This week our Makaton sign is "Happy Easter" as we have been looking at 'Easter' this week. Please practice this at home too!

Happy Easter

Reception Reading Cafe

Our Reading Café has opened again in Reception! This week was our first session of the year and what an incredible turn out it was! Thank you for all coming along.

The Reading Café is an opportunity for you to support your child's reading development, learn new strategies to help them when reading and more importantly enjoy some quality time with your child over a book without the normal hustle and bustle of home life.

The sessions will be every week on a Tuesday 8:45 – 9am in the Classrooms.

Grove Primary Newsletter: 27/3/2026

You are invited to come along to the session with your child and share a book.

Study Bugs

Please continue to use Study Bugs when reporting your child's absence.

When stating the reason for your child's absence, please remember to specify the **exact symptoms** of the illness as these are required when marking them as 'illness' on our registers. If symptoms are not listed, it will be marked as an 'unauthorised absence'.

We are going to be phasing out using Arbor for text messages. To replace this, we will be using the in App messaging service in Study Bugs.

Scooter and Cycle Safety and Parking

If you are Scootering or cycling to school, please remember to wear your helmets! We have seen a number of children who are not wearing helmets as they are riding their bikes or scooters to school. It is essential that you wear one to protect your head from injury incase you accidentally fall off.

1

Eyes: Put the helmet on your head. Look up. You should see the bottom rim of the helmet.

2

Ears: Make sure the straps form a "V" under your ears when buckled. The straps should be a little tight but comfortable.

3

Mouth: Open your mouth as wide as you can. Does the helmet hug your head? If not, tighten the straps.

Please also be advised that parking or idling is not permitted in Karen Court Carpark, neighboring residential parking spots or on the zig zags

TRAIN TO TEACH PRIMARY with NEXUS Education Schools Trust

In Partnership with The National Institute of Teaching and Education (NITE).

Inspire Young Minds. Shape the Future. +

Are you a graduate ready to start a rewarding career in teaching?

Train to teach with Nexus Education Schools Trust and The National Institute of Teaching and Education (NITE), part of Coventry University Group.

At Nexus, you'll gain hands-on classroom experience in our schools, while NITE provides the expert training and academic support. Together, we'll help you build the skills, confidence and experience to become an outstanding primary teacher.

Why Train at a NEXUS school?

Full-time and Part-time Pathways

Training can be completed full-time over one year at five days per week, or part-time over two years at 2.5 days per week for a more flexible pathway.

Hands-On Classroom Experience

You'll be actively involved in the classroom from the start, but we'll build your responsibilities gradually to allow you to develop your practice and build confidence.

Expert Support

You'll work with mentors and teachers who know what it takes to train as a teacher. They bring years of classroom experience, practical insight and a genuine desire to help you get the best out of your training.

Supportive Community

Our schools are collaborative, encouraging and nurturing. From day one, you'll be welcomed into the team, guided and supported as you learn the ropes. You'll have the space to make mistakes, try new strategies and grow into the teacher you aspire to be.

Who We're Looking For

We welcome graduates in all subjects who are:

- Passionate about working with children.
- Creative, patient and resilient.
- Eager to make a real difference.

THE PE & SCHOOL SPORTS NETWORK

The Saturday sports club runs through the year at Bacon's College. The club caters for SEND students of all disabilities between the ages of 5 -18 years old. Each session lasts for 60 minutes.

There is a highly skilled and motivated team of 14 working at the club ranging from teachers, teaching assistants, coaches, and special needs specialists.

As well as improving fitness levels and health and wellbeing the club works on social skills such as listening skills, waiting, sharing, teamwork, individual work and focus.

Sports and activities change weekly – trampolining, nature trail and the gym for the older clients, volleyball, football, basketball, multi skills, tennis, cricket, badminton, boccia, new age curling, dance, parachute games, athletics, capoeira, etc.

The club currently run in 4 different sessions:

Session 1: 10:30 – 11:30

Session 2: 11:30 – 12:30

Session 3: 12:30 – 13:30

Session 4: 14:00 – 15:00

Venue:

Bacon's College, Timber Pond Road
Rotherhithe, London

In Partnership With

Nexus Education Schools Trust Talent Pool

Looking to extend your talents to other schools
within NEST and provide more support?

NEST is now offering the opportunity for any staff wishing to increase their hours and to help provide greater support with their skills to sign up to our talent pool to be considered first for any vacancies across the Trust. All choices are yours to make, meaning you can highlight which positions you would like to work in and what schools you would be willing to commute to.

If you are interested in the chance to help make a difference and enjoy new experiences at an additional school within the Trust, please head over to MyNewTerm, create an account and search for 'Nexus Education Schools Trust' under employers in 'Find a Job' which will then allow you to sign up to the talent pool. Alternatively, you can head over to the NEST website where we have a link under staff vacancies which will direct you to our MyNewTerm page.

This is not just an exclusive opportunity to existing staff within NEST so if you know any friends or family who may be interested in this venture we would love to welcome them aboard!

Thank you for your interest!

Please direct any queries to recruitment@nestschools.org
