

A Message from our Deputy Headteacher

Dear Parents and Carers,

We have had a jam packed week of events this week!

We were visited by the **Central School of Ballet** for a special whole school assembly.

Nursery and Reception had a visit from '**Little City**' on Wednesday!

Year 5 had a visit from the vicar from **Copleston Church**.

On Thursday, Year 4 Cedar Class and Year 5 Hazel Class went on a trip to see **Midsummer Night's Dream** at the Unicorn Theatre.

On Friday, Year 4 Cedar Class went on a trip to the **London Mithraem Museum** for a tour to see Roman artefacts and an ampetheatre.

Take a look at the photos from the sessions below!

Attendance

Reception	94.42%
Year 1	96.82%
Year 2	95.65%
Year 3	89.64%
Year 4	95.17%
Year 5	97.24%
Year 6	97.88%

Please note that as directed by the Department of Education, term time holidays will not be authorised.

Talking Tuesday

Every Tuesday, children in Reception up to Year 6 have been having class assemblies called '**Talking Tuesdays**'. The School Councilors in Years 1-6 are encouraged to lead their classes in a discussion around a question or 'silly' statement to debate. The children are also encouraged to use our 'Oracy Hand Signals' to support structuring their verbal debates.

We would love for our families to also have a go at debating at home! Our **question** this week was themed around our whole school value of 'Ambition'.

"Should you ever give up on a dream?" What do you think?

ORACY HAND SIGNALS

I agree because... 

I disagree because... 

I challenge that because... 

I would like to build on what has been said... 

Linking to what has been said... 

This week in Year 4

In Science and Geography, we are learning about the Rainforest and animals conservation. Here are some Rainforest posters we completed in Science.

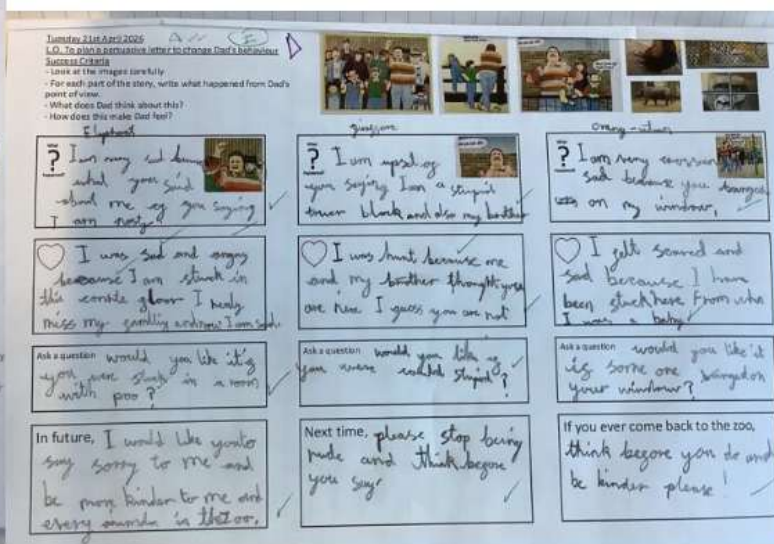

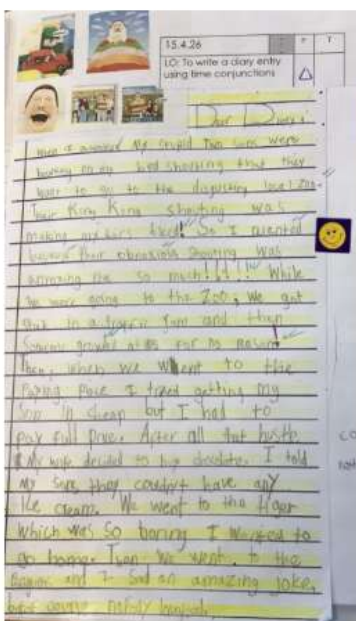

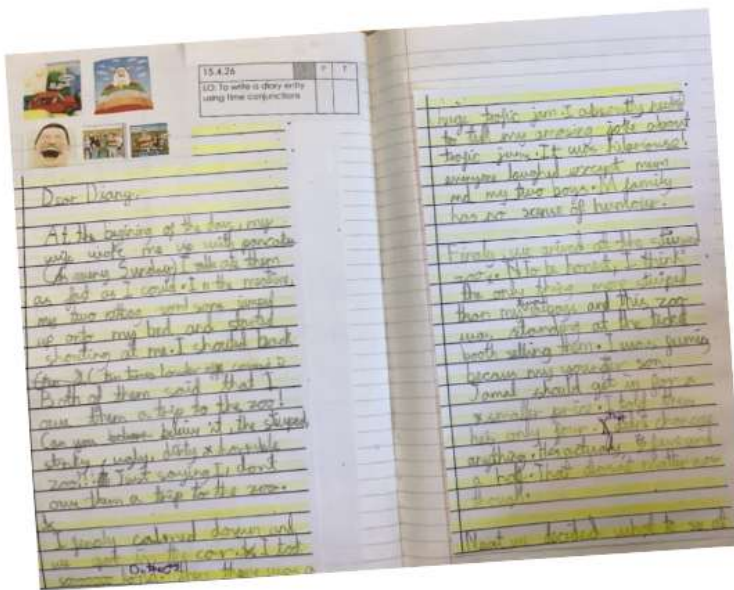

Grove Primary Newsletter: 1/5/2026

In English we are reading and writing about Zoo by Anthony Browne. Here are some diary entries and letters that we have written.

Grove Primary Newsletter: 1/5/2026

In Maths we have been $\times 10$, $\times 100$, $\times 1000$ using decimal numbers. We used place value charts to help with our understanding.

Working together in Maths.

Copleston Church Visits

The vicar from the Copleston Church came to Grove Primary to do an assembly about his role as a vicar and his work with the local community. He also visited the Early Years, Years 3 and 4 to talk to the children more about his job.

Scooter and Cycle Safety and Parking

If you are Scootering or cycling to school, please remember to wear your helmets! We have seen a number of children who are not wearing helmets as they are riding their bikes or scooters to school. It is essential that you wear one to protect your head from injury incase you accidentally fall off.

1

Eyes: Put the helmet on your head. Look up. You should see the bottom rim of the helmet.

2

Ears: Make sure the straps form a 'V' under your ears when buckled. The straps should be a little tight but comfortable.

3

Mouth: Open your mouth as wide as you can. Does the helmet hug your head? If not, tighten the straps.

Please also be advised that parking or idling is not permitted in Karen Court Carpark, neighboring residential parking spots or on the zig zags directly outside of school. There is free parking available in the surrounding areas.

TALK, LEARN, DO

TLD empowers parents and caregivers to talk about and teach money as part of everyday life.

Financial attitudes and behaviours begin developing early, between the ages of 3 - 11, through to young adulthood.

Children develop lifelong attitudes and habits around money from an early age, and parents and caregivers play a crucial role in shaping their knowledge and capability.

This is a course for adults around financial education intervention.
