

A Message from our Deputy Headteacher

Dear Parents and Carers,

This week we have been Celebrating '**London History**'. The week kicked off with a wonderful assembly by Mr Darren Lalchan, who shared some interesting facts about London and about some of the famous authors that we love who are from London.

This year, the each class have had the opportunity to explore a famous author from London and some of the books they have written. Classes had the choice to write biographies and create artwork based on the authors or their books!

Year 2	91.43%
Year 3	96.83%

Please note that as directed by the Department of Education, term time holidays will not be authorised.

Talking Tuesday

Every Tuesday, children in Reception up to Year 6 have been having class assemblies called '**Talking Tuesdays**'. The School Councilors in Years 1-6 are encouraged to lead their classes in a discussion around a question or 'silly' statement to debate. The children are also encouraged to use our 'Oracy Hand Signals' to support structuring their verbal debates.

We would love for our families to also have a go at debating at home! Our **question** this week was themed around London History Day.

"Should we stop building tall glass skyscrapers to keep London looking "historic," or is it better to be a modern city?" What do you think?

ORACY HAND SIGNALS

- I agree because... 
- I disagree because... 
- I challenge that because... 
- I would like to build on what has been said... 
- Linking to what has been said... 

Early Years Learning

This term in Early Years, our pirate theme inspired great enthusiasm and engagement from the children. They enjoyed exploring life aboard a pirate ship through role-play, dressing up, and learning to walk and talk like pirates. The children have also been busy making messages in bottles and creating their own secret pirate messages, using their imagination and early writing skills creatively. A range of pirate-themed activities encouraged teamwork, communication, imagination, and problem-solving skills. It has been wonderful to see the children embrace the theme with such curiosity, excitement, and enjoyment in learning through play.

Grove Primary Newsletter: 22/5/2026

We also had a special visit from some chicks, giving the children an exciting opportunity to learn about the chick life cycle. They loved observing the eggs hatch and watching the chicks grow each day, asking thoughtful questions about development and care. A highlight for many was gently holding the chicks, showing kindness and responsibility throughout the experience. This memorable hands-on activity provided valuable learning through observation and exploration.

Scooter and Cycle Safety and Parking

If you are Scootering or cycling to school, please remember to wear your helmets! We have seen a number of children who are not wearing helmets as they are riding their bikes or scooters to school. It is essential that you wear one to protect your head from injury incase you accidentally fall off.

1

Eyes: Put the helmet on your head. Look up. You should see the bottom rim of the helmet.

2

Ears: Make sure the straps form a "V" under your ears when buckled. The straps should be a little tight but comfortable.

3

Mouth: Open your mouth as wide as you can. Does the helmet hug your head? If not, tighten the straps.

Please also be advised that parking or idling is not permitted in Karen Court Carpark, neighboring residential parking spots or on the zig zags directly outside of school. There is free parking available in the surrounding areas.
