

A Message from our Deputy Headteacher

Dear Parents and Carers,

Next week is SATS week for our Year 6 Pupils. The children have been working incredibly hard in preparation for their upcoming tests and we are very proud of all our children's progress.

A huge thankyou to Miss Roshni Rahman and Miss Katie Lucas for all of their hard work in supporting the children.

We want to wish Year 6 the best of luck!

Attendance

Reception	91.36%
Year 1	94.08%
Year 2	94.57%
Year 3	94.07%
Year 4	94.23%
Year 5	94.29%
Year 6	95.94%

Please note that as directed by the Department of Education, term time holidays will not be authorised.

Talking Tuesday

Every Tuesday, children in Reception up to Year 6 have been having class assemblies called '**Talking Tuesdays**'. The School Councilors in Years 1-6 are encouraged to lead their classes in a discussion around a question or 'silly' statement to debate. The children are also encouraged to use our 'Oracy Hand Signals' to support structuring their verbal debates.

We would love for our families to also have a go at debating at home! Our **question** this week was themed around our whole school value of 'creativity'.

"Can technology help or stop creativity?" What do you think?

ORACY HAND SIGNALS

I agree because... 

I disagree because... 

I challenge that because... 

I would like to build on what has been said... 

Linking to what has been said...

Year 2 are reading 'Too Much Talk', a traditional folktale from Africa. First, we retold the story and learned it from memory. We used actions to help us tell the story

In Art, we have begun a new drawing unit called 'Tell a story'. We started off by experimenting with different marks & textures...

Then, we practised drawing characters' expressions and emotions...

Grove Primary Newsletter: 8/5/2026

Finally, we used a basic outline sketch of a person to develop detail and build up into drawing different characters, so that we can 'tell a story' through Art!

Study Bugs

Please continue to use Study Bugs when reporting your child's absence.

When stating the reason for your child's absence, please remember to specify the **exact symptoms** of the illness as these are required when marking them as 'illness' on our registers. If symptoms are not listed, it will be marked as an 'unauthorised absence'.

We are going to be phasing out using Arbor for text messages. To replace this, we will be using the in App messaging service in Study Bugs.

Scooter and Cycle Safety and Parking

If you are Scootering or cycling to school, please remember to wear your helmets! We have seen a number of children who are not wearing helmets as they are riding their bikes or scooters to school. It is essential that you wear one to protect your head from injury incase you accidentally fall off.

1

Eyes: Put the helmet on your head. Look up. You should see the bottom rim of the helmet.

2

Ears: Make sure the straps form a 'V' under your ears when buckled. The straps should be a little tight but comfortable.

3

Mouth: Open your mouth as wide as you can. Does the helmet hug your head? If not, tighten the straps.

Please also be advised that parking or idling is not permitted in Karen Court Carpark, neighboring residential parking spots or on the zig zags directly outside of school. There is free parking available in the surrounding areas.

TALK, LEARN, DO

TLD empowers parents and caregivers to talk about and teach money as part of everyday life.

Financial attitudes and behaviours begin developing early, between the ages of 3 - 11, through to young adulthood.

Children develop lifelong attitudes and habits around money from an early age, and parents and caregivers play a crucial role in shaping their knowledge and capability.

This is a course for adults around financial education intervention.
