

A Message from our Deputy Headteacher

Dear Parents and Carers,

This week we started exploring **Black History Month!** On Monday, **Mr Darren Lalchan** began our week with a fantastic assembly sharing why we celebrate the month and explored inspiration Black people. The theme for this year is 'Honouring our Communities'.

On Friday, **Mr. Darren Lalchan** and **Ms Marie Kelly Roberts** organised an incredible day of **Art**. Each class were able to be taught by many teachers around the school and explored a range of artists! Have a look below at some of our incredible Art!

Remember to come along to our wonderful **International Day Celebration** on **Friday 9th October!** We will be having a parade, sharing lots of food and showing our Art work in the Hall at 3pm! Come along and enjoy!

Wishing our school community a happy weekend.

Beech Class

Music

In Music, we've been exploring **percussion instruments** this term. The children enjoyed playing together, listening to different sounds and experimenting with **musical patterns**.

Writing

This term, Year 3 have been reading **Voices in the Park** by **Anthony Browne**. We explored the different characters and how their feelings and perspectives change throughout the story.

The children used their senses to describe the park setting and practised using **expanded noun phrases**, **emotive language** and **time conjunctions**.

PE

In PE, we have been developing our movement, coordination and teamwork skills through outdoor games.

We also designed our own outdoor games, thinking about the equipment, space, number of players and aim of each game.

Science

In Science, our topic this term has been "Animals, including humans". First, we spent a couple of weeks identifying what healthy eating looks like. Then, we started exploring the human skeleton and identified some of the main bones in the body. We talked about where different bones are located using "Henry", our classroom skeleton, before creating and labelling our own skeletons.

Makaton Sign of the Week

Every Monday the staff and the children will be learning a Makaton sign. Makaton is a language with speech, signs and symbols used to support people who have difficulty communicating. We teach it to all of our children and staff so that we can become even more inclusive as a school. This week our Makaton sign was "celebrate". We use this in our assemblies and when answering the register. Please practice this at home too!

Harvest Collection

This Harvest, we will be collecting items for Spring Community Hub to support families, ensuring that no one in our community goes hungry, especially as the colder months approach.

Scooter and Cycle Safety and Parking

If you are Scootering or cycling to school, please remember to wear your helmets! We have seen a number of children who are not wearing

helmets as they are riding their bikes or scooters to school. It is essential that you wear one to protect your head from injury incase you accidentally fall off.

1

Eyes: Put the helmet on your head. Look up. You should see the bottom rim of the helmet.

2

Ears: Make sure the straps form a 'V' under your ears when buckled. The straps should be a little tight but comfortable.

3

Mouth: Open your mouth as wide as you can. Does the helmet hug your head? If not, tighten the straps.

Please also be advised that parking or idling is not permitted in Karen Court Carpark, neighboring residential parking spots or on the zig zags directly outside of school. There is free parking available in the surrounding areas.
