- Perimeter & Area

Regular Mastering Maths sessions

Surviving the Elements

Geography (Would you like to live in a desert?)

- To summarise the characteristics of a desert biome.
- To locate and explore features of deserts.
- To describe the physical features of a desert environment.
- To explain the different ways humans can use deserts.
- To describe some of the threats of desert environments.

PE (Every Thursday)

Tag Rugby

In this unit, the focus will be on communication, tactics, leadership and physical ability. These lessons will be taught by Millwall FC every Thursdays.

Shared Reading

Non-fiction and poetry focus
Recording in reading diaries
on a regular basis

Science (Properties and Changes of Materials)

We will be looking at the following questions:

- Investigate changes of state
- Compare and group together everyday materials on the basis of their properties and reason uses for particular materials
- Use knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating
- To understand that that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution through evaporation

PSHE (Family and Relationships)

To understand what might lead to someone bullying others.

- To know what action a bystander can take when they see bullying.
- To understand that positive attributes are the good qualities that someone has.

DT: Structures

- Designing a stable structure that can support weight
- Creating a frame structure with focus on triangulation

RE: Why doesn't Christianity always look the same?

- How did Christianity begin?
- Who are the significant people who influenced practices?
- What are the different denominations and how the bible has influenced their beliefs?
- How Christianity is changing.

Computing

Creating media: Vector drawing

- Design, create and edit vector drawings on Google Drawings. This will be done at Alleyns every Mondays.
